INTRODUCTION OF BILLS

The following bill was introduced, read first and second times and referred to the Committee on Employment:

House Bill No. 1, introduced by MacDonald: A bill for an act entitled: "An act to fix the compensation of officers and employees of the Thirty-fifth Legislative Assembly of the State of Montana."

A Committee from the Honorable Senate, with Senator Lehrkind as Chairman, informed the House that the Senate was ready to meet in joint session for the purpose of hearing the message of His Excellency, the Governor.

House recessed.

House resumed. Mr. Speaker in the Chair.

The Honorable Senate entered and were escorted to seats reserved for them.

The President of the Senate in the Chair. The joint session was called to order.

It was moved by President Pro-tem James, and carried, that a committee of five, consisting of two Senators and three Representatives, be appointed to inform the Governor that the Senate and House of Representatives had convened in joint assembly and were ready to hear his message.

The President of the Senate thereupon appointed Senator Manning, Senator Worden and Representatives Michels, Parker and Juedeman, to so inform the Governor.

His Excellency, Governor J. Hugo Aronson then appeared and was escorted to the Chief Clerk's desk. After having been presented to the assembly by the President of the Senate, he delivered the following address:

Mr. President, Mr. Speaker and Members of the 35th Legislative Assembly:

As I appear before this Legislature for the third time in my capacity as Governor, I am confident and optimistic about Montana's future. Our state has just finished two years of favorable development. We have had our finest period in history.

In March, 1955, the 34th Legislative Assembly went home leaving what I determined to be a balanced budget. There were some who thought it was unbalanced. My calculations were correct. There will be a cash balance on next July 1.

The State Treasurer's office reports a balance in the General Fund of \$4,802,784 as of Dec. 31, 1956.

The requests for appropriations in the budget, show greatly increased demands. Montana's history shows that some departments always demand more than they expect or have ever received.

The House Appropriations Committee and the Senate Finance and Claims Committee should carefully examine every request for an appropriation. When this Legislature adjourns, we must have a balanced budget as the Constitution requires.

As we view Montana, there is much to be proud of. God has been generous in His gifts to us. For our natural resources and special Blessings of Providence we must be humbly grateful. But we must use these resources wisely. To you, the chosen representatives of all the people of Montana, comes the duty of establishing the rules for that use. We must demonstrate teamwork to accomplish the most good for our great State. The greatest wealth and most valuable asset is our people. What we do here in this session should be for the good of our people and the future generations of Montana.

Montana is on the go, but we must have a favorable political and economic climate to keep and attract development. This benefits us all and creates a wider tax base. A COOPERATIVE effort by this Legislature will do much to demonstrate a favorable political climate. In studying ways and means of providing funds for state services, we must remember that a favorable economic climate is equally necessary for development. In my opinion, confiscatory taxes will delay development and spoil opportunities for better jobs at higher pay for more Montanans.

Montana is growing rapidly. We should have a population of one million within ten years. We must be careful not to get Montana out of balance on any type of legislation affecting labor and industry, if we desire and expect new industry to come to Montana. Both political party platforms favor new industry. It is our job to make Montana attractive for industrial growth. At the same time we must see that the laws of the State provide properly for both our present and future population. Without giving any unfair advantage to any segment of our economy, we must encourage the proper and full development of our resources.

I DO NOT intend to try to detail to you each item that I think must be accomplished. I DO intend to discuss many items that need your attention. You are welcome to use every facility of every State department in obtaining facts, suggestions and ideas.

You should definitely re-examine present expenditures in all departments. I am sure you will agree that we are not getting full value for the dollars we are now spending. Surely we, as Montanans, can furnish better services for less money. You may want to borrow a few of the methods and ideas presently used in industry.

Another source of revenue not exhausted or properly examined is the tremendous drain in the State economy by federal agencies. A concerted effort by all states would result in economies at the federal level. These would not impair federal programs, but the states would get some relief.

State governments generally are in a very difficult position on taxation, for two reasons:

First: the taxation of property generally has been reserved for local subdivisions;

Second, the income tax, the other major revenue source, is almost completely controlled by the federal government.

Therefore, state revenues must be derived from a second tax on property, a second tax on income, so-called sin taxes covering the use of alcohol and tobacco, and privilege taxes in the form of franchise or license.

I have always opposed a sales tax, as most of you. I still hope it can be avoided. But if we are to avoid sales tax in Montana, appropriations must be kept within the anticipated revenues. The state, like its citizens, must live within its income. A reasonable amount of additional revenue is available without a sales tax. I refer you to the State Board of Equalization for details.

Therefore, if you approve appropriations which exceed anticipated income, you may have to consider a sales tax to provide additional revenue. In other words, if your anticipated revenues do not permit adequate financing of our schools and other State responsibilities, then a sales tax may be your last resort.

Education and taxation are inseparable. Both must be kept in mind when proposals concerning either one are studied.

The requests for appropriations are primarily demands for the elementary and secondary schools and the University system. These are caused by increased costs and enrollment. Additional tax money may be necessary. If so, you may be forced to consider a sales tax.

If you think we need a sales tax to finance the schools, I recommend that it be a replacement tax, first, to relieve the excess burden on property. The six-mill levy on property for University purposes may have to be ten mills or more. It should be eliminated.

It is still my hope that you will be able to balance the budget without having to go to any new tax sources.

I realize that I am putting this problem to you in a negative fashion. However, it seems to me that we are in the position of a trapper in a cabin in the dead of winter with wolves howling outside. His cabin catches fire. He has a choice of putting out the fire with what he has in the cabin, or going out into the bitter cold to face the wolves. This may well be the trapper's only choice, just as your only choice may be the sales tax. But let's try to put out the fire first with what is available.

BUDGET

The size and scope of this Assembly's problem is probably best reflected by the report of the State Controller on the budget.

Total requests from all state departments for the next biennium are \$90,404,000. The total revenue is apparently \$57,051,000.

Requests from the General Fund alone are \$81,768,000. The State Board of Equalization estimates the total revenue to the General Fund for the next two-year period at \$47,693,000.

This difference of 34 million dollars between requests and revenue is what prompts my statement that you must definitely re-examine present spending in all departments and carefully examine all requests for appropriations, before looking for new revenue sources.

SCHOOLS

In financing the school foundation program, certain basic facts must be kept in mind. The Income and Interest Fund is a true State aid. It comes from State holdings and is not a direct tax on the individual.

The same cannot be said of the School Equalization Fund. The source of this revenue is a percentage of the State Income Tax, a percentage of the Corporation license tax, a general fund appropriation, and U. S. oil and gas royalties. All of these are direct and indirect taxes on the ultimate consumer, with the exception of U. S. oil and gas royalties.

When we talk about the counties' share or the State's share of the School costs, we are actually talking about State and county taxes collected from the same taxpayer. If on the county level, this burden is on property owners only. If on a State level, this burden is on all taxpayers.

Increased taxation will be bearable only if the entire burden is properly equalized. An example of this will occur when the present six-mill levy for University purposes comes up for reconsideration at this session. The demand will definitely increase to a possible ten mills or more. If enacted, this will further distort the present excessive burden on property owners.

If transferred to a general State source of revenue, this obligation

would reduce the present excess on property. It would also help equalize the general tax burden by transferring it to all Montana taxpayers.

Therefore, two major educational problems posed for this Assembly are:

First, how to finance the University system, both as to amount and as to source of revenue?

Second, to what extent shall the State share in the School Equalization Fund for primary and secondary education?

Available funds, other State requirements, and possible new revenue sources will require your consideration. Also, you must always keep in mind the proper division of this burden among the individual taxpayers.

I firmly believe that every Montanan can be proud to send his or her children to our elementary and high schools and to the University System. Contrary to the thinking of many, I think they compare favorably with any in the nation. Our teachers, administrators, and school boards are of high caliber and doing a generally excellent job.

TAX STUDY

The tax problem is a complicated one. Mere stop-gap legislation has a tendency to compound past mistakes and further distort the existing inequities. Because of this, I suggest that an interim tax study group from all sections of Montana's economy be appointed to work with the State Board of Equalization. This would help develop a balanced tax program for the State. I refer you to the Board of Equalization report for details and suggestions.

HIGHWAYS

We have made great strides forward in our highway program. We are now embarking on an even greater program. The huge Federal Interstate Highway program will have a terrific impact on the nation and on Montana. The Highway Commission and its staff has done an outstanding job. It will be called upon for even greater efforts in the years to come.

The Highway Fact Finding Committee, set up by the 34th Legislative Assembly, together with the Highway Research Council, has devoted much time and effort to an exhaustive study of each class of roads and streets. The materials assembled demonstrate an excellent job. The Committee, the Council and its staff, as well as the Highway Commission and its staff, are to be complimented for a job well done.

I do not mean that the job is all done by any means. In fact, it is just started. But we have some excellent basic materials to work with. I strongly recommend that you continue the interim committee technique to solve the many complex problems.

I refer you to the reports of these committees for full details. Here are a few highlights that deserve action. Some of the recommendations are far-reaching and will require your closest study. Basically, however, the facts upon which the conclusions and recommendations are made have been thoroughly researched.

Financially, the most important recommendations are:

(1) The seven-cent gasoline and nine-cent diesel per gallon taxes be continued on a permanent basis.

(2) Commercial vehicle weight taxes be increased in certain categories.

(3) All passenger car registration fees be set at ten dollars per year.

(4) Fuel tax collection and refund procedures be reviewed.

(5) Bond financing be reconsidered for both the present backlogs of federal aid financing and future long-range planning. In this connection I ask your closest study before such financing is approved.

In regard to highway management procedures, the most important suggestions are:

(1) Remedial legislation to provide for up-to-date right-of-way acquisition and controlled access legislation. This legislation also contemplates simplification in condemnation and abandonment procedures. It will seek jurisdiction so municipal bodies can participate with the State, in obtaining and dispensing federal aid funds.

(2) Adjustments should be made in apportionment of funds to financial districts. We need an allocation formula more nearly in line with the highway needs for each district. The Highway Commission also needs authority to allocate State matching funds in the secondary system for specific emergency bridge construction. This must be possible in advance of financial district allocations, as is now possible in the primary system. Also, the allocation principle should be extended to cover the interstate system along with the primary, secondary and urban systems.

(3) Consideration be given the establishment of a State Aid division in the Highway Department. The specific purpose would be to aid local units in road and street problems, promote long-range planning at local levels, and establish procedures for financial aid to coordinated local programs.

The Fact Finding Committee also recommends that a Motor Vehicle Department be established. This would help coordinate such activities as vehicle registration and titles, operator's licenses, commercial vehicle taxation, motor fuel taxes, highway patrol and similar activities. These activities are now handled by the Prison Warden, Highway Commission, Railroad Commission, Board of Equalization and County Treasurers.

The Fact Finding Committee believes a coordinated Motor Vehicle Department would regulate the moving vehicle in all ways, tighten revenue control, be a convenience to the public, and contribute to highway safety. Such a plan requires your careful consideration.

One obvious fear expressed immediately by Deer Lodge residents is that this would cause the separation of the Motor Vehicle Department from the Prison and a moving to Helena of the department.

This should not enter into your consideration in my opinion. This function of Motor Vehicle Registration can be carried on in Deer Lodge, as always, without jeopardizing efficiency to any appreciable extent. I recommend that this function be left in Deer Lodge, if the plan is carried out.

The separation of the Motor Vehicle Department from the prison would not affect the prison work and rehabilitation program to any great extent. Instead, it would occasion some additional appropriations to adequately equip the prison administration due to coordinated use of some materials.

I have devoted considerable discussion to the highway problem. This is partly because of the vast new program we are in and also because of the tremendous amount of factual materials made available by the Fact Finding Committee and the Research Council. Their reports are worthy of thorough study.

STATE ADVERTISING

The advertising program of the Highway Commission has been getting good results, but costs are rising in this highly competitive field. An increased advertising budget is required to keep pace in the tourist business.

Experience has shown that an increased budget will pay for itself in gasoline taxes from tourists alone. In addition, we must recognize the increased benefits to our businesses and services based on tourist trade, our third largest industry.

As you know, the cost of this advertising program is paid from highway funds. Any increase will require an amendment to the 1955 Act limiting the amount of highway funds which may be used for advertising purposes.

STATE PARKS

With the limited funds at its disposal, the Highway Commission has made an outstanding performance. However, it is falling far short of meeting current demands in the recreation and tourist fields. The phenomenal increase in demand for picnic area, roadside parks, recreational areas, preservation of historical, scientific and archeologic sites is apparent to all.

Montana's recreational resources must be conserved now and wisely developed. Therefore, I recommend that the Highway Commission's Park Division be provided with an adequate budget to carry out the required tasks.

HIGHWAY SAFETY

The traffic hazard is an increasing menace to our society. In 1956 an all-time record number of 266 were killed on Montana's streets and highways. The tragic loss of life is grim. The economic loss, computed on the basis of 120 thousand dollars per fatal accident, is over thirty million dollars.

The Highway Patrol stepped up its enforcement activities by making over 26,000 arrests in 1956. This is 5,000 more than in any previous year and compares to 8,873 arrests in 1952. Yet, with such a fine record of enforcement, it is evident that enforcement activities alone will not guarantee safe highways.

Equally important is public awareness and support. A newly-organized citizens' committee, the Montana Council for Traffic Safety, will need the support of every citizen in the State before any measure of success in accident prevention can be realized.

Recent surveys show that the Highway Patrol is undermanned. A minimum of thirty additional traffic men in the next fiscal year and an additional thirty the following year must be provided. In addition, I urge that the emergency speed limit of 65 miles per hour be made the statutory speed limit.

I also solicit your consideration of an amendment to include standards for determining the intoxication of persons driving with certain blood alcohol levels. Additional equipment, including radar, is a must, too.

Experience has shown that these items will not be an additional burden on the taxpayers. The income from stepped-up enforcement, through driver's license collections, fines, forfeitures and other items, more than offsets the cost, in addition to creating increased highway safety.

STATE FORESTS

The State Forester has developed a long-range forestry program based on factual and scientific information, in line with the same conservation principles as our State Parks. This will foster the production of the greatest possible wealth from Montana's forest lands in the form of forest products, abundant useable water and recreation areas.

Through proper forest management and maintenance of soil and watershed values, the highest volume of mature crops may be harvested in the shortest time. An inventory is the foundation of good forest management. The forest inventory on state lands, begun in the last biennium should be completed.

A new threat to our forests, in addition to fire, is the Spruce Budworm. It is presently ruining three and one-half million acres of forest land in our state. All forest agencies are working to control this pest. The responsibility of the state and of private landowners to control this pest needs clearing up.

In addition, the Cooperative Forest Management program, giving technical assistance to the small forest landowner, should be encouraged.

COLUMBIA COMPACT

The Columbia River Compact Commission has worked hard to find an equitable solution to the difficult problem of that river. Recently such a compact was approved by the Commission. It is ready for submission to this legislative session for approval. Montana has done an excellent job of protecting its rights and in arriving at this compact. I strongly urge your approval.

Consideration should again be given to an underground water code. The splendid work of the Water Conservation Board should be continued.

Legislative approval is necessary before an agreement reached between the farmers of Alberta, Canada, and the farmers of Montana for the use of water from Sage Creek can be approved.

Our State Department insists that approval of the State of Montana be obtained before construction work on the project in Canada can be started. The State Engineer is authorized to negotiate contracts with other states, but not with a foreign province or country. Suitable legislation will be offered for your approval to permit this long-delayed project to become a reality.

Other recommendations of the Water Board, for your consideration, will be found in the Biennial Report of the State Engineer. One particular function of the Water Board, that of the State Planning Board, which was activated by the last Assembly, has shown remarkable progress. It is difficult to measure the success of such an activity.

I am confident that the Planning Board work, together with the work of the Water Pollution Council in the Board of Health, has much to do with the announcement of two new paper pulp industries, as well as other industrial development. This work should continue.

AGRICULTURE

Montana's agriculture needs expanded research to improve quality, to increase production know-how, and to increase marketing knowledge. Present facilities are not sufficient, and State funds are not likely to be available. The wheat industry's need for quality improvement is critical at this time, if Montana is to maintain its reputation as a producer of quality wheat.

To help satisfy these needs of agriculture, I urge you to pass enabling legislation so commodity groups can supply funds to help themselves. A Commodity Commission has been suggested by the Montana Grain Growers' Association to accomplish these purposes. I submit the proposal for your study.

LIVESTOCK COMMISSION

The Brucellosis eradication program of the Livestock Commission has progressed. More than thirty counties have been certified as free of brucellosis. Of some 750 thousand dollars spent on this program in two years, less than ten per cent has come from the General Fund. However, to accomplish this, the Commission has depleted its reserves and increased the livestock millage levy. About two dollars of federal money has been used to every State dollar.

To accomplish the goal of brucellosis eradication, a larger State appropriation will be required this year to maintain a desirable testing program.

Consideration might also be given to completion of the State Laboratory building as originally planned and authorized.

FISH AND GAME

Efforts by the 34th Assembly to recodify the Fish and Game Laws were successful. Some of the pressing problems of over-abundance of game animals in farming areas have been solved. However, increased hunting and fishing activities and increased pressures on wildlife resources will require constant attention.

INSTITUTIONS

All State institutions have shown improvements in both physical plants and care and treatment. I again invite Legislative Committees to visit each institution. We have an increasingly difficult time in getting and keeping trained staffs. This is particularly true of the hospitals.

New building programs at Boulder and Warm Springs have progressed. It is interesting to note that the patient population at the State Hospital has decreased, due mainly to the use of newly-developed drugs. Another interesting decrease in population is noted at the Prison. This is due to the new parole laws passed by the last Legislature.

The Industrial School has made good progress. The Vocational School for Girls is in need of more facilities, both for school purposes and for disciplinary control. I am pleased at the sound operations of the Orphans' Home, the State School for the Deaf and Blind, the Soldiers' Home, the Home for the Aged and the Tuberculosis Sanitarium. Each of these institutions will present to you their needs to maintain and improve themselves.

I wish to report separately on the State Prison and the Newly-formed Pardon Board. The Prison farm operation is progressing in excellent fashion. Work programs for rehabilitation have produced excellent crops. The building program at the Prison is going ahead at minimum costs, but maximum efforts. The Prison proper could use more work for inside the walls. Appropriation requests for materials for refinishing State-owned furniture and equipment should be approved.

The Pardon Board has worn its new pair of shoes in admirable fashion. The new program has decreased the Prison population from 681 in November 1954 to 604 in November 1956. By and large, many men and women have been successfully returned to society earlier than before.

There have been some failures, but the percentage of failures is far below the national average. The Pardon Board staff of three parole supervisors is not large enough to do an adequate job.

Actually, the Board has not been able to accomplish much more than the parole activity. The program has proven itself well worthwhile and an important advance in control and treatment of criminals. I am confident that your inquiries will convince you that a larger budget and staff is necessary to do a good job. The benefit to the State is great. The costs are more than made up in productive citizens, savings in welfare to families and other items.

CHILD WELFARE ADVISORY

Another Interim Committee report, that of the Child Welfare Advisory Committee, created by the 34th Assembly, deserves your attention. This committee has done an admirable job of studying the laws of Montana pertaining to the welfare of delinquent, dependent and neglected children and of recommending suitable corrective legislation.

The committee recognizes that more work needs to be done in this field, but I submit to you, approvingly, their entire report. Their recommendations seem to me to be practical and necessary. I commend this committee of public-spirited citizens for a fine effort for the youth of Montana—our most precious resource.

NATIONAL GUARD

The last Assembly provided enabling legislation allowing Montana to participate with the federal government on a twenty-five per cent State—seventy-five per cent Federal basis in armory construction. Under this program armories were built at Kalispell, Billings, Miles City, Glendive and Sidney. Armories at Dillon, Hamilton, Plentywood, Whitefish and Chinook are planned. I urge your approval of funds to continue this National Guard program.

OIL AND GAS

Conservation is not a restriction on the uses of petroleum. It is the sound, well-balanced application of engineering and geological sciences directed toward the maximum ultimate recovery of oil from our reservoirs. In this light, the Oil and Gas Conservation Commission is primarily a technical body working for the benefit of our people. It is believed that still-greater benefits can be obtained by enlarging the scope of the Commission's activities in the scientific field of petroleum engineering and geology.

For the past two years, the Montana Bureau of Mines and Geology has operated a well core and cutting field station at Billings. I recommend that this station and its personnel be merged with the Oil and Gas Conservation Commission. This would relieve the General Fund of the cost of station operation, as the Commission can finance its operations from its present income. This is derived wholly from the oil industry. A deficiency request for completion of the station from the General Fund will be required, however.

WORKMEN'S COMPENSATION

The State should continue toward the goal of an adequate Workmen's Compensation Act. This would afford sufficient income to workmen injured on the job and to their families during this time of need.

While the last two sessions have increased the benefits materially,

the weekly compensation to a man with several children is not enough. The cost of hospitalization and medical care continues to rise. Therefore, the present dollar limit in the Act causes a part of the hospital and doctor bill to burden the badly-injured man.

I recommend a general increase in weekly compensation benefits to the injured workman, particularly one who has many children. This should be an amount sufficient to provide him with the basic necessities of life while he is disabled. I also recommend an increase in the amounts for medical care.

I further suggest that an industrial disease law be enacted. Such a law should be fair and reasonable to all parties. It should not, in any way, injure the present workmen. The administration of it should come under the Workmen's Compensation Act.

UNEMPLOYMENT COMPENSATION COMMISSION

Improvement in the Unemployment Insurance law is necessary. Benefits must be increased. The Unemployment Compensation Commission will have other proposals for your consideration to strengthen the program.

LIQUOR

The importance of the State liquor monopoly as a source of General Fund revenue cannot be over-emphasized. In the fiscal year ended June 30, 1956 the monopoly system accounted for net general fund revenue of \$6,032,434 or 26.3 per cent of the total General Fund revenues.

The experience of the Liquor Control Board shows that the laws covering maximum salaries of its personnel must be relaxed, if efficiency and profits are to be maintained at a high level. It is very difficult and, in some cases impossible, to obtain the services of competent personnel and to retain those services under the present restrictions. I recommend that the pay scale be reviewed and a general increase be made.

VETERANS BONUS

Recognition of our Korean War Veterans in the same manner we recognized the veterans of World War II is in order. It is doubly important now, while the existing machinery is available to handle this job, without further burden on the State.

At the present time collections to retire the present bonus bonds are more than the amount needed to retire this type of bond. We feel certain that the bonding company would consider a further issue to take care of Korean Veterans without an increase in the present tax. If such renegotiation is not possible, then new legislation should be considered to provide this recognition.

CAPITOL RENOVATION

It was the hope and plan of the Board of Examiners that this Assembly would be greeted with improvements in the Capitol Building. However, an unexpected difficulty in financing the work from Capitol Land Grant funds occurred. The Supreme Court held that renovation or repair to the existing structure could not be paid from this fund. Frankly, we were all amazed at this set-back. It appears now that funds will have to be appropriated by this Assembly to continue much needed improvements.

OTHER PROGRAMS

Due to increased activities in oil, uranium and other fields, correc-

tion of glaring deficiencies in the Blue Sky laws is needed. The State requires the power to protect the public through its investment laws.

Two years ago I vetoed a bill authorizing special license plates for licensed amateur radio operators. For several reasons, including the valuable services offered and rendered in Civil Defense, law enforcement, rescues and the like, I now urge you to authorize an Amateur Radio Operator's license plate.

Montana insurance experience in recent years convincingly demonstrates that our State's insurance code is antiquated and outmoded. Portions of it have been on our statute books for over half a century. It is no longer adequate for the protection of our people and the efficient and effective regulation of the insurance business. In my judgment, a complete revision and recodification of the Montana Insurance Laws is needed and would be in the public interest.

I recommend that this Assembly enact enabling legislation directing the preparation, under the supervision of the Commissioner of Insurance, of a revision and recodification of the Montana Insurance laws for submission to the 36th Legislative Assembly. I also recommend that sufficient funds be appropriated to defray the expense of such an undertaking.

I call your attention also to the Real Estate laws. A need for tightening of these laws is apparent. Out-of-state pseudo-real estate agents are soliciting advertising and listings of Montana real estate. Such practices have caused the loss of many thousands of dollars to Montana residents. Legislation to correct the present deficiencies should be passed.

FIVE-DAY WEEK

For your consideration I suggest that a five-day week be established for state, county and municipal offices by changing the requirements for office hours. The present 9 A.M. to 5 P.M. on week days and 9 A.M. to 12 noon Saturdays would be changed to an 8 A.M. to 5 P.M. schedule, Mondays through Fridays.

In effect, this change would require two more hours of office time per week than is presently required, but I believe this would be more effective. If you deem this change advisable, you should also adjust the present vacation time of one and one-quarter days per month. Then holiday periods would not extend through three work weeks and four week-ends, as would otherwise be possible.

Presently, the schools, federal government offices and many businesses and professions are operating on a five-day week. Therefore, I believe that it is advisable for this Assembly to establish such a week in state, county and municipal offices.

VOTING

It is desirable to extend to the spouses and dependents of members of the armed forces on active service the right to use the Federal post card application for ballot, when absent from their place of voting. These spouses and dependents are a part of the defense team and deserve this privilege. It is desirable to extend to federal employees working overseas the right to also use the Federal post card application, as they are part of our cold war fighting team.

I urge you to permit the Federal Post card application to be used as a "Registration Card." Presently, the requirement of requesting a registration card is a deterrent to voting by members of the armed forces. These are the recommendations applicable to us in Montana found in the Federal Voting Assistance Act of 1955. They were enacted

bi-partisanly by the United States Congress, and are designed to bring about more effective voting by members of our defense forces.

OTHER BOARDS

I have not mentioned numerous other State boards, commissions and functions; not that they are less important or doing lesser jobs. They are getting along fine without any particular pressing problems.

Let us not waste valuable time on proposed legislation which we know has no merit and no chance for final passage. I shall use my own best judgment in gauging my actions on the bills sent to my desk. I will continue to do what I think is best for all of Montana. Let us not shirk our responsibilities. Let us be fair to all. Most important, let us operate within our income with a balanced budget. We must provide a climate for progress. By cooperative effort we will succeed.

J. HUGO ARONSON, Governor.

It was moved by President Pro-Tem James, and carried, that 1,000 copies of the Governor's message be printed and distributed to the members of the House and Senate and to other state offices.

The committee previously named by the President of the Senate escorted his Excellency the Governor from the Chamber.

It was moved by President Pro-Tem James, and carried, that the joint assembly be dissolved and that the members of the Senate repair to the Senate chambers.

It was moved by Barrett, and carried, that the House recess until 3:00 o'clock P.M.

House recessed.

House resumed. Mr. Speaker in the Chair.

REPORTS OF STANDING COMMITTEES

Mr. Speaker: We, your Committee on Employment, having had under consideration House Bill No. 1, respectfully report as follows: That House Bill No. 1 do pass.

HESS, Chairman.

Report adopted.

The following committee was named by the Speaker:

Appropriations Committee: MacDonald, chairman; Cerovski, vice-chairman; Barnard, Hess, Rieder, Daniels, Cunningham, Siderius, McOmber, Gray, Reeder, Norby, Haines of Missoula, Hawks, Gleed, Pierce, Nichols and Walton.

INTRODUCTION OF BILLS

The following bill was introduced, read first time by title, second time at length, and referred to the Appropriations Committee:

House Bill No. 2, introduced by MacDonald: A bill for an act entitled: "An act to appropriate money for the payment of mileage and per diem to the members of the Thirty-fifth Legislative Assembly and for the payment of per diem to the officers and attaches and for incidental expenses of the Thirty-fifth Legislative Assembly of the State of Montana."

It was moved by Barrett, and carried, that the House adjourn until 12:00 noon on Wednesday, January 9, 1957.

House adjourned.

EUGENE H. MAHONEY,
Speaker.

ALLEN DONOHUE,
Chief Clerk.

THIRD LEGISLATIVE DAY

House of Representatives
Helena, Montana
January 9, 1957

House convened, pursuant to adjournment, at 12:00 noon.

Mr. Speaker in the Chair. Invocation by the Chaplain.

On roll call all members were present except Tange, Cerovski and Hooks, excused.

Mr. Speaker: We, the Committee on Journal, having examined the Journal for the Second Legislative Day, find the same to be correct.

GRAY, Chairman.

The Speaker made the following committee appointments:

Committee on Enrolling: McGarvey, Chairman; Bick, Vice-Chairman; Barnard, Thomas, Evans.

Committee on Entertainment: Beck, Chairman; Dempsey, Vice-Chairman; Langston, Paulsen, Pierce.

REPORTS OF STANDING COMMITTEES

Mr. Speaker: We, your Committee on Appropriations, having had under consideration House Bill No. 2, respectfully report as follows: That House Bill No. 2 do pass.

MacDONALD, Chairman.

Report adopted.

MOTIONS AND RESOLUTIONS

Motion was made by Barrett, and carried, that the mimeographed forms of House Bills 1 and 2 be considered the printed copies and that they be placed on General Orders.

INTRODUCTION OF BILLS

The following bill was introduced, read first and second time and referred to the Committee on Military Affairs:

House Bill No. 3, introduced by Abel, Cumming, Barrett, Anderson of Yellowstone, Gerard, Felt, Fraser: A bill for an act entitled: "An act to amend Initiative Measure No. 54, adopted by the vote of the legal electors of the State of Montana at the regular general election held in the State of Montana on November 7th, 1950, by amending Section 1 thereof, defining terms: By amending Section 2 thereof so as to provide for the payment of an honorarium to persons serving on active duty during the Korean war; authorizing issuance of ten million dollars (\$10,000,000.00) of limited obligation bonds or so much thereof as

may be necessary to supplement the moneys now in the "war veterans' compensation fund" sufficiently to make the payments provided for in said initiative No. 54 as hereby amended; by adding thereto a new section to be numbered 14-A, providing for the deposit of moneys from the sale of such additional bonds in said "war veterans' compensation fund;" amending Section 16 of said Initiative Measure No. 54, and amending section 84-5606 by adding subdivision 3, Revised Codes of Montana, 1947, as amended, and section 84-5621, Revised Codes of Montana, 1947, as amended, by providing an additional excise tax upon the sale of cigarettes in the State of Montana; said moneys to be deposited in the "war veterans' compensation bond retirement fund No. 2" for the payment of such additional bonds and interest thereon and creating such fund; making an appropriation of the funds derived from the sale of said bonds; by adding a section to be numbered 14-A, providing that such bonds shall not be a general obligation of the State of Montana, but shall be payable only out of said additional excise tax on cigarettes; providing that said initiative No. 54 as by this act amended shall be construed as though it had been originally passed with the amendments made by this amendatory act, if such construction does not conflict with express provisions of this amendatory act, providing limits of time within which claims under subdivisions (b), (c), and (d) of section 2 of said initiative No. 54, as said section is by this amendatory act amended, under section 3 of said initiative No. 54 as by this amendatory act amended, or under section 5 of said initiative No. 54 as by this amendatory act amended, may be filed; making incidental amendments of the sections of said initiative No. 54 in this amendatory act specifically referred to, germane to the general purpose of this amendatory act and designed to facilitate the administration thereof; providing that if any part of this amendatory act shall be held invalid such invalidity, shall not affect the other provisions of this act."

CONSIDERATION OF GENERAL ORDERS

It was moved by Barrett, and carried, that the House resolve itself into a Committee of the Whole for consideration of General Orders.

Juedeman of Toole in the Chair. Committee arose.

House resumed. Mr. Speaker in the Chair.

Mr. Speaker: We, your Committee of the Whole, having had under consideration business under General Orders, recommend the following:

That House Bill No. 1 do pass.

That House Bill No. 2 do pass.

JUEDEMAN, Chairman.

Report adopted.

It was moved by Barrett that the House recess until 1:30 P.M. this day. Motion carried.

House recessed.

House resumed. Mr. Speaker in the Chair.

REPORTS OF STANDING COMMITTEES

Mr. Speaker: We, your Committee on Employment, recommend the following changes for the employment lists:

Mr. Armin Krug should be listed as Mailing and Filing Clerk instead of Clerk.

Mrs. Marabeth King should be listed as Clerk to Sgt.-at-Arms instead of Secretary to Sgt.-at-Arms.

A motion was made, seconded, and carried that Mrs. Tom Robinson's name be deleted from the employment list as Enrossing Clerk.

It is further recommended that the following people be employed by the House:

HOUSE MEMORIAL NO. 1

Introduced by Holecek, McOmber, Walton, Gray, Reeder, McInnis:

A House Memorial to President Dwight D. Eisenhower, Secretary Ezra Taft Benson, Montana's congressional delegation, and members of the United States House and Senate committees on agriculture, seeking an adjustment in the federal farm program as it relates to the grower of quality wheat.

To the Honorable Senate and House of Representatives of the United States in Congress Assembled:

WHEREAS: All wheat acreage allotments and marketing quotas were meant to control surpluses, but there is no surplus of the kind of wheat raised in Montana;

WHEREAS: Millers are again asking for more high milling quality wheat of which Montana is the principal producer;

WHEREAS: Montana growers are still subject to the same restrictions as are growers of soft low quality wheats, which are said to be in surplus;

WHEREAS: Huge drouth areas have cut production levels and greater export demand for wheat appears certain;

WHEREAS: Some higher acreage allotments for our small operators

will tend to redress a balance which is badly needed and the present pressure on all operators is curtailing too much production of high protein wheat.

NOW, THEREFORE, BE IT RESOLVED by Montana's House of Representatives in 1957 session assembled, that all officials noted above be asked to see that the revisions are made in the federal farm program to permit increased production in areas which grow wheat of high milling quality.

NOW, THEREFORE, BE IT FURTHER RESOLVED that this House Memorial be read in full and spread on the minutes of the House Journal.

It was moved by Barrett, and carried, that the House adjourn until 11:00 A.M. Wednesday, January 30, 1957.

House adjourned.

EUGENE H. MAHONEY,
Speaker.

ALLEN DONOHUE,

MESSAGES FROM THE GOVERNOR AND SENATE

February 13, 1957

President of the Senate,
Senate Chambers.
Speaker of the House,
House of Representatives.

Gentlemen:

I am returning herewith Senate Bill No. 2 without my approval for the following reasons:

The title of the bill and the body of the bill describes a parcel of state land authorized to be sold and conveyed as the north west quarter of the south west quarter and south west quarter of the north west quarter (NW $\frac{1}{4}$ SW $\frac{1}{4}$ and SW $\frac{1}{4}$ NW $\frac{1}{4}$), Section Twenty-two (22), Township Four

(4) South, Range Six (6) West, Montana Principal Meridian, comprising nine and ninety-four hundredths (9.94) acres in Madison County. This description is obviously in error since my investigation reveals that the parcel of land lies in Township Three (3) South rather than in Township Four (4) South as described in the bill.

I do agree with the proposed authorization of sale as set out in Senate Bill No. 2. However, because of the error in description and the possibility of other surveyor's errors, I am returning the bill without my signature.

Very truly yours,
J. HUGO ARONSON,
Governor.

February 13, 1957

Mr. Speaker:

I am directed by the Senate to inform your Honorable Body that the following Senate Bills were this day read third time and passed, title and history agreed to, and the bills are herewith transmitted to the House for concurrence:

Senate Bill No. 136 by Hibbs and Reardon.

Senate Bill No. 99 by Reardon.

Senate Bill No. 126 by Groff et al.

Senate Bill No. 58 by Keller et al.

Senate Bill No. 27 by Brownfield et al.

Respectfully,
WALTER MACK,
Secretary of the Senate.

February 13, 1957

Mr. Speaker:

I am directed by the Senate to inform your Honorable Body that the following House Bill was this day recommended for non-concurrence by the Judiciary Committee, report adopted, and the bill is herewith returned to the House.

House Bill No. 155 by McGarvey et al.

Respectfully,
WALTER MACK,
Secretary of the Senate.

Dear Mr. Donohue:

Thank you for your letter of February 4, transmitting a copy of your House Memorial No. 1.

You may recall that I supported the idea of varying price support levels based upon quality or saleability of wheat during the 84th Congress, but I was unable to obtain the cooperation of the Department of Agriculture and certain farm organizations.

With kindest regards and best wishes, I am

Sincerely yours,
ALLEN J. ELLENDER, Chairman,
Committee on Agriculture and
Forestry.

The White House,
February 9, 1957

Dear Mr. Donohue:

This will acknowledge the receipt of your letter of February fourth

to the President, with the enclosed copy of House Memorial relative to an adjustment in the Federal Farm Program as it relates to the grower of quality wheat, adopted by the House of Representatives of Montana. Your courtesy in the transmittal of this Memorial is very much appreciated.

Sincerely,
SHERMAN ADAMS,
Assistant to the President.

CONSIDERATION OF GENERAL ORDERS

Motion was made by Barrett that the House resolve itself into a Committee of the Whole for consideration of business under General Orders, under the rules of the previous sitting. Motion carried.

Felt of Yellowstone in the Chair. Committee arose.

House resumed. Mr. Speaker in the Chair.

Mr. Speaker: We, your Committee of the Whole, having had under consideration business under General Orders, recommend the following:

That Senate Bill No. 68 be concurred in.

That Senate Bill No. 112 be concurred in.

That Senate Bill No. 51 be amended in the Title by deleting in line three of the printed bill the comma after the word "associations" and inserting in lieu thereof the words "and insurance companies authorized to write automobile liability insurance within the State of Montana.";

Amend Section 1 by inserting after the word "association" on line 4 of page 1 of the printed bill the words "or by an insurance company authorized to write automobile liability insurance within this state.";

Amend Section 1 further by striking out in line 8, page 1 of the printed bill the word "or" following the word "clubs"; and inserting in lieu thereof a comma;

Amend Section 1 further by inserting after the word "association" on line 9 of page 1 of the printed bill, a comma and the words "or insurance company or companies.";

Amend Section 1 further by striking out all material between lines 16 and 22 inclusive, on page 1 of the printed bill and inserting in lieu thereof the words "(C) The term, guaranteed arrest bond certificate, means any printed card or other certificate issued by an automobile club, association or insurance company, to any of its members or insureds, which said card or certificate is signed by such member or insured and contains a printed statement that such automobile club, association or insurance company and a surety company, or an insurance company authorized to transact both automobile liability insurance and surety business in the State of Montana, guarantee the appearance of the person whose signature appears on the card or certificate and that they will, in the event of failure of such person to appear in court at the time of trial, pay any fine or forfeiture imposed on such person in an amount not to exceed \$100."

Amend Section 2 by inserting in line 2, page 2 of the printed bill after the word "surety" the words "or a guaranteed arrest bond certificate issued by an insurance company authorized to transact both automobile liability insurance and surety business within this state." And as amended, Senate Bill No. 51, be concurred in.

That Senate Bill No. 88 be concurred in.

That further consideration of Senate Bill No. 18 be passed for the day.

That Senate Bill No. 6 be amended in the Title by striking out the House Appropriations Committee amendments thereto, and restoring, after the word "industry", the words: "and providing for an effective date.";

Amend Section 1 by striking out in line 16 of the original bill, being lines 8 and 9 of the printed bill after the word "of", the words and figures: "five thousand six hundred dollars (\$5,600.00)" and inserting in lieu thereof the words and figures: "six thousand dollars (\$6,000.00)";

And amend Section 2 by restoring thereto Section 2 of the original bill, as follows: "Section 2. This act shall be in full force and effect from and after its passage and approval." And as amended, be concurred in.

FELT, Chairman.

Report adopted.

Mr. Speaker: We your Committee on Enrollment, to whom was referred House Bill No. 47, do hereby report that said bill, together with a copy thereof, signed by the Speaker of the House and President of the Senate, was this day, at the hour of 2:40 o'clock, P. Section one, House Bill No. 21 be further amended on page two, line 1 of the original bill after the symbol and letters "DTR" and before the period by inserting the words: "or the letters 'TR' and the word 'dealer', and all such markings for the aforementioned kinds of dealers plates, shall be placed on the number plates assigned thereto in such position thereon as the Register may designate."

Section one, House Bill No. 21 be further amended by striking subsection two in its entirety and inserting in lieu thereof the words and figures: "(2) In the case of motor cars, number plates shall be of metal, six inches wide and twelve inches in length, the outline of the State of Montana shall be used as a distinctive border on such license plates, and the word "Montana" with the year shall be placed across the bottom of the plate. Such registration plate and the required serial numbers and letters thereon, shall be of sufficient size and spacing to be plainly readable from a distance of 100 feet during daylight. The colors of such plates shall be dark blue and deep yellow, each color being used alternately as background color on successive issues of plates. The Registrar (matter deleted) shall, in his discretion, choose to select permanent number or identification plates with a yearly insert plate or tab bearing the last two numbers of the year for which such license is issued and such insert plate or tab shall be serially numbered in the same manner as the numbered plates, and such permanent number or identification plates shall be made in such form and of such materials (matter deleted) as the registrar shall determine; provided further, that the registrar may, in his discretion, designate number or identification plates for any year as the proper means of identifying the vehicle for a subsequent year or years, said plates to be validated by a windshield sticker of such size, color and design and displayed as he shall direct; such sticker shall bear a distinctive number and the registration period for which it is issued, after which period it shall be unlawful to further display same on the vehicle. The distinctive registration numbers shall begin with a number one (1) or with a letter-number combination such as 'A 1' or 'A A 1', or any other similar combination of letters and numbers and be numbered consecutively for each series of plates. The distinctive registration number or letter-number combination assigned to the vehicle (matter deleted) shall appear on the plate preceded by the number of the county and appearing in horizontal order on the same

horizontal base line, and the county number shall be separated from the distinctive registration number by a dash or a dot unless a letter-number combination is used. The dimensions of such numerals and letters (matter deleted) shall be determined by the registrar of motor vehicles, provided that all county and registration numbers shall be of equal height. (Matter deleted)."

Section one of House Bill No. 21 be further amended in line 9 on page 4 of the original bill by inserting after the letter and symbols "X" and before the period, the words: "or the word 'exempt'"

Section one of House Bill No. 21 be further amended by striking in its entirety subsection 4 on page 4 of the original bill, and by inserting in lieu thereof the words and figures: "(4) On all number plates assigned to motor vehicles of the truck and trailer type, other than tax-exempt trucks and trailers, there shall appear the letter "T" or the word "Truck" for plates assigned to trucks and the letters 'TR' or the word 'Trailer' for plates assigned to trailers.

Number plates assigned to any motor vehicle shall be used only on the specific motor vehicle to which originally assigned."

And as amended, do pass.

The following Resolution was read, and motion made by Barrett, and carried, that the Resolution be adopted:

HOUSE RESOLUTION NO. 1

A resolution of gratitude by Montana's House of Representatives for the privilege of being the guests of Helena high school at a superb showing of its 1957 stage production "Paint Your Wagon." The expression of pleasure herein conveyed to be extended to the following: Doris Marsolais Marshall, director of dramatics; George Lewis, coordinator of music; Helena school board members; C. R. Anderson, superintendent of schools; C. M. Ogren, principal of Helena high school; Helena high school faculty; Helena high school Thespian Troupe No. 745; and the Helena high school student body.

Whereas the guest performance of "Paint Your Wagon," honoring Montana 35th Legislative Assembly, played to a packed house at the Civic Center Auditorium on Thursday evening, February 14, 1957, and

Whereas ten thousand man-hours of labor were expended by hundreds of students and their leaders to insure the success of the presentation, and

Whereas this musical comedy again reflected the standards of excellence achieved here in amateur theatricals under advanced supervisory methods, and

Whereas it is our pleasure to again recall previous showings by Helena high school in our honor: notably, "Green Pastures," produced for the 31st Assembly; "Abe Lincoln in Illinois," produced for the 32nd Assembly; "No More Frontier," produced for the 33rd Assembly; and "The American Way," produced for the 34th Assembly;

Now, Therefore, Be It Resolved, by the Montana House of Representatives, that we acknowledge with respectful appreciation the entertainment afforded to us by the latest stage offering of the Helena high school: "Paint Your Wagon."

And Now, Therefore, Be It Further Resolved that copies of this resolution be sent to those in charge of this production; that its text be read in full before the House; and that same be spread on the minutes of the House Journal.

Motion was made by Barrett that the House adjourn until 1 P.M. Sunday, February 17, 1957. Motion carried.

House adjourned.

EUGENE H. MAHONEY,
Speaker.

ALLEN DONOHUE,
Chief Clerk.

CONSIDERATION OF GENERAL ORDERS

Motion was made by Barrett that the House resolve itself into a Committee of the Whole, for consideration of business on General Orders, under the rules of the previous sitting. Motion carried.

Cerovski of Fergus in the Chair. Committee arose.

House resumed. Mr. Speaker in the Chair.

Mr. Speaker: We, your Committee of the Whole, having had under consideration business under General Orders, recommend the following:

That House Bill No. 232 be amended in Section 1 by striking out in line 23 of page 1 of the original bill, being line 8 of page 1 of the printed bill, the underlining from the word "employ" through the word "both" in line 26, being line 10 of the printed bill;

Further amend Section 1 on page 2 of the original bill, in line 5, being line 18, page 1 of the printed bill, by inserting after the word "capacity" and the comma, the following "(matter deleted)"; and further amend in line 9, being line 21 of the printed bill, by deleting the word "complete", and inserting the word "contemplated":

And further amend in line 15, being line 26 of the printed bill, by deleting the word "termination", and inserting in lieu thereof the word "terminus"; and further amend in line 18, being line 28 of the printed bill, by deleting the word "of", and insert in lieu thereof, the words "appropriated from", and inserting, after the words "another or" the word "shall"; and as amended, do pass.

Senate Amendment to House Bill No. 135 be concurred in.

CEROVSKI, Chairman.

Report adopted.

MOTIONS AND RESOLUTIONS

Barrett moved that the Speaker be empowered to appoint a Special Committee, not to exceed five members, for the purpose of investigating the administrative procedures and operations of the State Milk Control Board, with especial reference to the apparent disregard of Section 27-407, RCM, 1947, the statute under which the board fixes prices and handling charges; and the apparent failure to make written findings and conclusions prior to issuing price fixing orders; that said committee be empowered by suitable process from the House of Representatives to hold hearings, subpoena witnesses, administer oaths and appoint subcommittees from its membership with like authority; that suitable quarters and all necessary aid be provided to said committee for studying the problems above outlined; that all items of expense be returned by said committee with its report and that the Sergeant-at-Arms of the House of Representatives be authorized and directed to pay any and all expenses necessarily incurred by the membership of said House of Representatives upon presentation to him of proper vouchers signed by the chairman of

said committee; that said committee be empowered to do any and all things necessary to conduct such study and that it report its findings and recommendations back to the House of Representatives not later than the fifty-eighth day of the thirty-fifth session.

Motion carried.

In accordance with the power given him, the Speaker appointed the following Special Committee: Cerovski, McOmber, Frank, Thomas and Smeltzer.

MESSAGES FROM THE GOVERNOR AND SENATE

February 22, 1957.

Hon. Eugene H. Mahoney,
Speaker of the House of Representatives,
House Chambers,
Helena, Montana.

Dear Sir:

It is my understanding that certain representations have been made regarding my stand on legislation which is before the House of Representatives today, namely H.B. 326. I refer, among other things, to a telegram from the Chairman of the Montana Highway Commission which purportedly was given to represent my views on this specific legislation.

The telegram merely refers to a special delivery letter to the Chairman of the House Committee on Highways and Highway Transportation, which should be delivered to the Committee Chairman today.

My policy in the past has always been that I give my views in the Biennial State of the State Message to the Montana Legislative Assembly, and that I take no stand in advance on any legislation, leaving this decision whether to approve or veto until the legislation comes to my desk for such action from the Legislative Assembly.

Reviewing my Message to the 35th Legislative Assembly of the State of Montana, I said, on page 8 of the printed message, "Financially, the most important recommendations are: (2) Commercial vehicle weight taxes be increased in certain categories." I have not completely read H.B. 326, and my decision, whether pro or con regarding this specific legislation, will be made by me only if and when this legislation is approved by the 35th Legislative Assembly.

For further information, I refer you to the Section on Highways

in my message, as well as to my 1953 Message when I said: "As for me, there have been no promises to any individual, group or corporation that a bill scheduled for consideration has my prior approval. When you finally have acted and sent the bill to my desk, then my best judgment will be the determining factor."

Therefore, I have not made any decision on H.B. 326, contrary to any impression which might have been received.

Very truly yours,
J. HUGO ARONSON,
Governor.

There being no objections, the Speaker then requested the Clerk to read the letter from Mr. Harry Burns, Chairman of the Highway Commission which letter was as follows:

February 21, 1957.

Hon. Lloyd Michels,
Chairman, House Committee on Highways,
State Capitol,
Helena, Montana.

Dear Mr. Michels:

This is to confirm my conversation with you yesterday afternoon relative to the attitude of the Aronson Administration, the Highway Commission and the Highway Department relative to the House Bill on Truck Weight-Distance Tax.

I have not read the bill now before the Assembly but feel sure that it follows in general the suggestions of the Fact Finding Committee headed by Mr. William Hall and assuming that it does, I am definitely for it. That is likewise the thinking of the rest of the Members of the Commission and of the Department Heads.

We are not seeking any punitive legislation but feel that there is here a source of revenue that can be equitably reached and that these heavy units should pay more of the cost of building and maintaining Highways than they now do.

The Commission is keenly aware of the possibility that if this weight-distance bill should fail to pass that there is a strong likelihood of the Legislature refusing to renew that 7c gas tax. In addition to that we feel that if the new plan for the honor system of gas tax refunds passes that this will mean a substantial cut in matching funds. If all or a part of these things happen, the road building program for Montana is going to be seriously crippled for the ensuing years, to the damage of all of us.

We feel that all taxes, collected for the construction of and maintenance of roads and highways, if honestly and competently administered, is a real and lasting beneficial investment for all the people of Montana.

This letter is being written with the consent and knowledge of Governor Aronson. He felt, in my discussion with him yesterday, that he had made his position clear on this in his message to the Legislature.

Very truly yours,
HARRY L. BURNS,
Chairman,
State Highway Commission.

REPORTS OF SELECT COMMITTEES

Mr. Speaker: We, your special committee appointed to draft a suitable Memorial in commemoration of the services rendered by a former member of this assembly, the late Honorable Arthur Hageman, respectfully submit the following Memorial.

HOUSE MEMORIAL—IN MEMORIAM

ON THE DEATH OF THE LATE HONORABLE ARTHUR HAGEMAN

"Sunset and evening star,
and one clear call for me!
And may there be no moaning of the bar,
when I put out to sea.

But such a tide as moving seems asleep,
too full for sound or foam,
When that which drew from out
the boundless deep
Turns again home."

Not garland in the black of mourning do we come this day but rather with head bowed in reverence and silence to the memory of service given to the people of the State of Montana by a former member of previous legislative assemblies who has finished his course of earthly service. His accomplishments burn in crimson colors in the spectrum of life, remembered because of the service he gave for others. We humbly and reverently tender this day in his honor as a day of dedication to the continuance of this service which he so humbly practiced in his life.

WHEREAS, it was with sincere sorrow that the members of the House of this Thirty-fifth Legislative Assembly were informed on February 2, 1957, of the tragic death on the highways in Mesa, Arizona, of a former member of this House, Arthur Hageman.

WHEREAS, the late Arthur Hageman was born on February 9, 1890, in Lemoure, North Dakota. He attended grade school and high school at Fargo, North Dakota, and teachers' college at Valley City, North Dakota, and after graduation taught in Litchville, North Dakota. He then came to Montana and settled at Baker; there he married Jacquetta Grant.

WHEREAS, Arthur Hageman came to Jordan and established himself in the garage business and became a very successful businessman. At the time of his passing he and his sons were operating a modern garage and appliance department.

WHEREAS, Arthur Hageman held many places of high esteem in his community. He was a member of the grade school and high school boards. He had served as president of the Commercial Club and was a very active worker in all community enterprises.

WHEREAS, Arthur Hageman served first in the House of Representatives in 1939, 1941 and 1943. He served in the Senate in 1945 and 1947 and in both bodies was one of the very highly respected members during these sessions. In 1945 he was a member of the Interim Committee set up to study our school problems and he served with outstanding distinction devoting his time and money to try and give Montana a better school system. The school children lost a very ardent worker by his passing.

WHEREAS, Arthur Hageman was a member of the Masonic Lodge No. 148 at Jordan, was also a member of Knights Templar of Miles City and Al Bedoo Shrine of Billings. He was also a trustee and elder of the Presbyterian Church of Jordan and took a leading part in church activity. His wise counsel so freely given and based on wide experience will be missed by all with whom he was associated.

WHEREAS, Arthur Hageman is survived by his wife and his sons Floyd G. Hageman and Harold R. Hageman of Jordan; daughter, Mrs. Louise Ogle of Bozeman; and brothers Frank Hageman of Minot, North Dakota and Ben W. Hageman of Fargo, North Dakota; and two sisters, Mrs. Elizabeth Langkoff of Eugene, Oregon, and Mrs. Mable Hicks of Bozeman.

"So when a great man dies,
For years beyond our ken
The light he leaves behind him lies
Upon the paths of men."

NOW, THEREFORE, BE IT RESOLVED that the members of the House of the Thirty-fifth Legislative Assembly express regret and deep sorrow for their departed member and convey to the widow, children brothers and sisters of the late Arthur Hageman their most profound sympathy in this hour of grief.

BE IT FURTHER RESOLVED that a copy of this resolution be spread upon the Journal of the House and a copy, signed by the Speaker of the House, be submitted to the family of the late Arthur Hageman.

MacDONALD, Chairman,
BECK,
GEBHARDT.

Motion was made by MacDonald for adoption of the above memorial. Motion carried.

Amend Section 14 by striking out in line 5 of the printed bill the following: "for a period not to exceed one year"

And by striking out in lines 15, 16 and 17 of the printed bill the following: "and when approved by the board may not be set aside, nullified or amended for any reason or cause whatsoever except upon written consent of each of the parties" and inserting in lieu thereof the following: "any approval of the board must be in writing and set forth specifically the reasons for such lump sum or compromise payment"

Amend Section 15 by inserting in line 5 of the printed bill following the word "after" the following: "the employee or his dependents knew or should have known the nature of the injury and its relationship to"

And by striking out in line 10 of the printed bill the words "(matter deleted)" and inserting in lieu thereof the following: "on the part of"

Amend Section 16 by inserting in line 5 of the printed bill following the word "Montana" the following: "or elsewhere"

Amend by adding an additional section at the end thereof as follows: "Section 12. This act shall be in full force and effect from and after the date of passage and approval."

Amend Senate Bill No. 120 by renumbering the sections of the printed bill as amended, so that the sections will be consecutively numbered.

And as amended, be concurred in.

McANDREWS, Chairman.

Report adopted.

Mr. Speaker: We, your Committee on Workmen's Compensation, having had under consideration Senate Bill No. 213, respectfully report as follows: That Senate Bill No. 213 be amended as follows:

Amend the engrossed Senate Bill No. 213 as follows: By inserting on page 1, line 9, following the "semi-colon" after the word "causation" the following: "Providing for the coverage of certain employers and employees;"

By striking out in lines 24 and 25, page 1 of the engrossed bill, the words: "defining aggravation and prorating benefits thereunder;"

By striking out in line 1, page 2 of the engrossed bill, the word "for" and inserting in lieu thereof "that".

By striking out in line 2, page 2 of the engrossed bill, the "semi-colon" and inserting in lieu thereof the words "or to pay premiums void;"

By inserting on line 18, page 2 of the engrossed bill, following the "semi-colon" the following: "Providing to employees common law right to sue when they cannot meet eligibility requirements of this act;"

By striking out in line 28, page 2 of the engrossed bill, the "period" and inserting in lieu thereof a "semi-colon" and the following: "Providing for an effective date of this act."

And further to amend the engrossed Senate Bill No. 213, by inserting in Section 3, Subsection 5, line 9, page 4, after the word "incapacitated" the following: "in whole or in part".

By striking from Section 3, Subsection 5, line 10, page 4 of the engrossed bill, the words "from performing any work for remuneration or profit." and inserting in lieu thereof, "or proximately caused by such an occupational disease."

By striking out in Section 3, Subsection 5, lines 13 through 16, page 4 of the engrossed bill, the following: "Disability, disabled, total disability, or totally disabled shall be synonymous with disablement, but they shall have no reference to partial permanent disability."

By striking out in Section 3, Subsection 26, page 7, lines 23 through 26, of the engrossed bill, the words: "characterized by small discrete nodules of fibrous tissue similarly disseminated throughout both lungs, causing characteristic X-ray pattern, and by variable clinical manifestations."

By striking out in Section 3, Subsection 27, lines 27 and 28, page 7 of the engrossed bill, the words: "the work for which an employee is paid a days wages" and inserting in lieu thereof the words "employment for not less than two (2) hours in a normal shift. For the purpose of computing work shifts under this act, employment for less than two hours of normal shift shall be disregarded and employment for two hours or more of a normal shift shall be deemed employment for the entire shift."

By striking out in pages 9 and 10 of the engrossed bill, all of Section 6, and inserting in lieu thereof the following: "Section 6. Employers and employees covered. The following employers, when the condition and hazards inherent in the occupation involved are such as to expose the employees to any occupational disease as defined in Section 4 of this act, shall be subject to the provisions of this act:

The state, and each county, city, town, municipal corporation and school district therein; and every person who has in his service three (3) or more workmen or operatives regularly employed in the same business or establishment, under a contract of hire, except agricultural workers and domestic servants; employers of such agricultural workers and domestic servants or employers of less than three persons may, however, at their election, come under the terms hereof by complying with its provisions and the rules and regulations of the Board.

The term "regularly employed," as herein used, includes all employments, whether continuous throughout the year or for only a portion of the year, in the usual trade, business, profession or occupation of an employer."

By striking out in Section 9, page 11, on lines 10 and 11 of the engrossed bill, the words: "except for the waivers provided for in Section 30 of the act".

By striking out in Section 10, line 23, page 11 of the engrossed bill, the word and figure "ninety (90)" and inserting in lieu thereof the word and figure "sixty (60)".

By striking out in Section 11, page 12, Subsection 1, on lines 4 and 5 of the engrossed bill, the words: "the effective date of this act" and inserting in lieu thereof: "July 1, 1956".

By striking out in Section 11, page 14, lines 20 through 24 of the engrossed bill, all of Sub-paragraph C.

By striking out in pages 14 and 15, of the engrossed bill, all of Section 12, and inserting in lieu thereof the following: "Section 12. Claims must be presented within what time. In lieu of the provisions of Section 92-601, Revised Codes of Montana, as amended; it is hereby provided in the case of disability resulting from occupational diseases as herein defined, that all claims therefor shall be forever barred unless the same shall be presented in writing under oath to the employer, the insurer or the Board, as the case may be, within twelve (12) months from the date that, by reasonable diligence, the claimant knew, or in the exercise of reasonable diligence should have known, that he or she has a disability compensable under and pursuant to the provisions of this act. In the case of death from occupational disease as herein defined all claims therefor shall be forever barred unless the same shall be presented in writing under oath to the employer, the insurer, or the Board, as the case may be, within twelve (12) months of the date of death. Claims shall be filed in triplicate and may be accompanied by a medical report of the claimant's attending physician."

By striking out in pages 15 and 16 all of Section 13 of the engrossed bill, and inserting in lieu thereof the following: "Section 13. Notice of disability or death. In lieu of the procedure described in Section 92-807, Revised Codes of Montana, 1947, notice of disability or death in respect of which compensation is payable under this act shall be given to the employer, insurer, or the Board, as the case may be, within thirty (30) days after the employee, his beneficiaries or his dependents knew or should have known the nature of the impairment or cause of death and its relationship to employment.

Such notice shall be in writing, shall contain the name and address of the employee and a statement of the time, place, nature and cause of the disability or death, and shall be signed by the employee or by some person on his behalf; or in case of death, by any person claiming to be entitled to compensation for such death or by some person on his behalf."

By striking out in Section 15, page 20, line 7 through 12, of the engrossed bill, the words: "The evidence of the two (2) medical examinations above described shall be final and, so far as the medical examination of the claimant is concerned, no evidence of other or additional medical examinations shall be admissible before the Board upon rehearing nor before any court upon the appeal, if any." And insert in lieu thereof, the following: "Provided, however, that the claimant, employer or the insurer, as the case may be, may provide evidence of other or additional medical examinations upon a hearing before the Board or upon appeal, if any, before any court."

By striking out in Section 16, page 20, lines 18 and 19 of the engrossed bill, the words: "The report shall constitute prima facie evidence of fact as to the matters therein contained."

By striking out in Section 17, lines 25 and 26, page 20 of the engrossed bill, the following words: "The report shall constitute prima facie evidence of fact as to the matters therein contained."

By striking out in Section 25, page 23, line 20 of the engrossed bill, the words: "becomes totally disabled" and insert in lieu thereof the word: "suffers".

By inserting in Section 25, page 23, line 21 of the engrossed bill, after the "comma" the words "arising out of and in the course of his employment,".

By striking out in Section 25, page 23, line 24 of the engrossed bill, the word "such".

By striking out in Section 25, page 23, lines 30 and 31, and page 24, lines 1, 2 and 3, of the engrossed bill, the following: "Any employee who suffers any of the occupational diseases listed in Section 4, but who is able to continue in his employment while being treated, therefor, shall be entitled to receive such medical services, treatments and medicines reasonably required, not exceeding the value of one thousand dollars (\$1,000.00)."

By striking out in Section 25, page 24, lines 16 through 20 of the engrossed bill, commencing with the "comma" following the word "Board" the following: "provided, that the provisions of this Section 25 shall not apply in cases where an employee or an applicant for employment has executed a waiver of compensation which has been approved by the Board as provided in Section 30 of this act." And inserting in lieu thereof, a "period".

By striking out in page 24 of the engrossed bill, all of Section 26.

By striking out in page 25 of the engrossed bill, all of Section 27.

By striking from pages 25, 26 and 27, all of Section 30, and inserting in lieu thereof the following: "Section 30. Agreement by employee to waive compensation or to pay premium void.

A. An agreement by an employee to waive his rights to compensation and, except as otherwise provided in this act, an agreement by an employee to pay any portion of the premium paid by his employer, shall be void.

B. Notwithstanding the provisions of this section, where an applicant for employment, whether such applicant has been formerly employed by the employer to whom application is made, or not, though not actually disabled, is found upon competent medical and X-ray examination to be afflicted by an occupational disease, he may waive compensation liability as against that prospective employer under this act for any pre-existing condition, if such waiver be approved by the Board

as hereinafter provided. Any waiver of compensation liability under this section by an applicant for employment shall be in writing on a form prescribed by the Board, and shall constitute a waiver of compensation liability for the then condition of such occupational disease with which such applicant for employment is afflicted, which disease must be named in the waiver. Such waiver, together with the report of the medical examination of the applicant for employment executing the waiver, and X-rays, if any, shall be delivered to the Board by the employer within five (5) days after the execution of such waiver. To such waiver, medical report and X-rays, if any, shall be attached a certificate by the examining physician certifying that the medical report is the report of the physical examination of the person signing the waiver. The Board shall submit such waiver, medical report and X-rays, if any, to a physician of its choice from the medical panel, and such physician shall report to the Board his findings as to whether the waiver and medical report are satisfactory. The Board shall require a record of previous employment where such applicant for employment has been formerly employed by the employer. The Board shall, within fifteen (15) days after the receipt of such waiver, medical report and employment record from the employer, determine what percentage of liability for compensation against that employer shall be waived by such applicant for employment. Such determination shall be mailed to the employer and the applicant for employment within twenty-four (24) hours after the Board has made the same.

All such waivers, reports and findings of the Board shall become permanent records of the Board.

C. Employers subject to this act may give a physical examination to any or all employees subject to this act. If such an employee is found to be afflicted with an occupational disease, he may execute a waiver in the form and manner prescribed for applicants for employment in subsection B above. Such waiver shall be effective only if approved by the Board as in subsection B above. Such waiver provided for in this subsection C shall be of no effect unless executed by the employee within sixty (60) days after the date of passage and approval of this act.

D. If an employee, who has executed such waiver, becomes disabled from the occupational disease specified in said waiver, the employer, or the occupational disease compensation fund, as the case may be, as hereinafter set forth in this act, shall be liable, only for the compensation payable for the liability not waived; provided, that in addition to such compensation and after the completion of the payments therefor, the employee shall be paid the remainder of the compensation that would be due for disability out of the second injury fund established by Section 2, Chapter 190, Session Laws of 1951 of the State of Montana.

E. Nothing in this section shall be construed to avoid liability for an employer in whose employment an employee is disabled from exposure to the hazards of occupational disease. The Board shall not approve the waiver of compensation liability wherein there is reasonable grounds to conclude that the employee signing the waiver contracted his occupational disease from exposure to the hazards of occupational disease in the employment of the prospective employer to whom the waiver is being tendered.

F. In no case shall any employer be liable for disease disability not occasioned by employment by the employer against whom the claim is presented; nor shall any waiver be valid which will have the effect of relieving any employer from liability for which he is justly obligated by virtue of the nature and conditions of the particular employment.

G. The Board may make reasonable rules and regulations relative

to the form, execution and filing of such waivers and reports not inconsistent with the provision of this Act."

By striking out in page 27, all of Section 31, and inserting in lieu thereof: "Section 31. Common law right to sue. Any employee, who is disabled due to occupational disease, and who cannot meet the eligibility requirements to receive compensation benefits under this act, shall not be deprived of his common law rights, if any, to sue for damages."

By striking out in page 27, Section 32, lines 28 and 29 of the engrossed bill, the following: "under the Federal Old Age Retirement Act, or benefits."

By striking from page 28, Section 32, lines 3, 4 and 5, the following: "or benefits under any United States Government Act providing compensation or benefits for disability or death resulting from silicosis".

By striking out in page 28 of the engrossed bill, all of Section 33.

By striking from pages 28 through 37, Section 34, of the engrossed bill, all of Compensation Plan Number One, and Compensation Plan Number Two, and inserting in lieu thereof: "Compensation Plan Number One. The provisions of Title 92, Chapter 9, Revised Codes of Montana, 1947, shall apply with equal effect under this act."

By striking from page 44, Section 36, line 7, of the engrossed bill, the following: "subject to the limitations in this act contained" and inserting in lieu thereof: "and order payment thereof during the continuance of such disability".

By striking from Section 40 of the engrossed bill, page 45, lines 10, 11, 12, and 13, the following: "nor more than six hundred dollars (\$600.00) for the first offense, and not less than two hundred dollars (\$200.00) nor more than one thousand two hundred dollars (\$1,200.00) for each subsequent offense." and inserting in lieu thereof the following: "nor more than one thousand dollars (\$1,000.00) for the first offense, and not less than two hundred dollars (\$200.00) nor more than five thousand dollars (\$5,000.00) for each subsequent offense."

By striking from pages 46 through 53, all of Sections 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64 and 65 of the engrossed bill, and insert in lieu thereof the following: "Section 48. The miscellaneous regulations of the Workmen's Compensation Act of the State of Montana, as set forth in Sections 92-809, 92-810, 92-812, 92-813, 92-814, 92-815, 92-816, 92-817, 92-818, 92-819, 92-820, 92-821, 92-822, 92-823, 92-832, 92-833 and 92-836, Revised Codes of Montana, 1947, shall apply with equal force and effect to this act."

By striking out in page 53 of the engrossed bill, all of Section 66, and inserting in lieu thereof: "Section 66. Employer Liability. There is imposed upon every employer a liability for payment and compensation to every employee who has not rejected the provisions of this act, and who becomes totally disabled by reason of occupational disease arising out of his employment, subject to the conditions set forth in this act."

By amending the engrossed Senate Bill No. 213, by adding thereto a new section to be designated Section 70, to read as follows: "Section 70. This act shall be considered severable, and in the event any section or part hereof is declared unconstitutional, then the remainder of the act shall remain in full force and effect."

By amending the engrossed Senate Bill No. 213, by adding a new section to be designated Section 71, as follows: "Section 71. This act shall be in full force and effect from and after its passage and approval."

And further to amend the engrossed Senate Bill No. 213 by correcting the numbers of the several sections of the bill so that the sections are consecutively numbered.

And as amended, be concurred in.

McANDREWS, Chairman.

SPECIAL ORDER OF BUSINESS

Special Order of Business having been set for this time, the following report of the Committee on Necrology was presented to the House with appropriate ceremonies.

HOUSE MEMORIAL—IN MEMORIAM

Lord, Thou hast been our dwelling place in all generations. Before the mountains were brought forth, or even Thou hadst formed the earth and the world, even from everlasting to everlasting, Thou are God.

We spend our years as a tale that is told. The days of our years are three score years and ten; and if by reason of strength they be four-score years, yet is their strength labor and sorrow; for it is soon cut off, and we fly away. So teach us to number our days, that we may apply our hearts unto wisdom.

Lord, make me to know mine end, and the measure of my days, what it is; that I may know how frail I am. Behold, Thou hast made my days as an handbreath; and mine age is as nothing before Thee: verily every man at his best state is altogether vanity.

He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty.

Because He hath set His love upon me, therefore will I deliver Him: I will set Him on high because He hath known my name. He shall call upon me and I will answer Him: I will be with Him in trouble; I will deliver Him and honor Him. With long life will I satisfy Him, and show Him my salvation.

Psalms 90: 1, 2, 9, 10, 12; 39: 4, 5; 91: 1, 14-16.

Read by Chaplain Clifford N. Trout.

MY TASK

Sacred Solo:.....Representative Harold L. Paulsen

In these moments of meditation, when we would revere the memory of the departed members of this Legislative body, we come not in mourning of their passing, but rather in prideful acknowledgement of their labors, their devotion and their service in behalf of us, and the people of the State of Montana. They have now been called to their Eternal Reward.

“There is no Death! The stars go down
To rise upon some other shore.
And bright in heaven’s jeweled crown
They shine forever more.”

Human words are inadequate to express the debt of gratitude that we owe those who labored and served so faithfully. Theirs was a labor of love. Theirs was an expression of service far above and beyond themselves, their own business or their individual community.

The finest tribute we could tender them on this day of remembrance would be the rededication of ourselves to foster anew the great work and service they so proudly practiced in their lives!

GIVE US MEN

God give us men; a time like this demands
Great hearts, strong minds, true faith and ready hands.
Men whom the lust of office cannot kill;
Men whom the spoils of office cannot buy;
Men who possess opinions and will;
Men who love honor; men who will not lie;
Men who can stand before a demagogue,
And brave his treacherous flatteries without winking;
Tall men, sunburnt, who live above the fog,
In public duty and in private thinking;
For while the rabble, with its thumb-worn creeds,
Its large professions, and its little deeds,
Mingle in selfish strife—lo! Freedom weeps,
Wrong rules the land, and waiting Justice sleeps.

—J. G. HOLLAND.

The works of men that live on, are those that are good; are those that have been graced by the touch of the Infinite.

Today we find strength and courage in prayerful remembrance of

the good works of those who served before us. We realize that our work, as theirs, has an Eternal Goal. To Him, Who watches over and cares for all, came they, as do we, to draw counsel, guidance and strength:

"I know not what the future hath
of Marvel or Surprise
Assured alone that Life and Death
His mercy underlies.
I know not where His Islands lift
Their fronded palms in air
I only know I cannot drift
Beyond His love and care."

—WHITTIER.

WHEREAS, certain members of the former sessions of the Montana Legislature have been called from their earthly labors by reason of death, and

WHEREAS, the members of the House of Representatives of this Thirty-fifth Legislative Assembly desire to pause in their deliberations to recognize and pay homage to these distinguished citizens of our State,

NOW, THEREFORE, BE IT RESOLVED, that the members of the House of Representatives of this Thirty-fifth Legislative Assembly, by means of this Resolution, do signify our regret of their passing and extend to their bereaved families our sincere sympathy and condolences; and

BE IT FURTHER RESOLVED, that suitable Memorials be forwarded to the widows, or families, of the deceased members and that this Memorial be spread upon the Journal of the House:

RALPH J. CONRAD

Ralph J. Conrad, Republican representative from Lewis and Clark County in the 34th Legislative Assembly of Montana, was a native of this state having been born in Marysville on December 3, 1880, and he passed away in Helena, July 31st, 1956, at the age of 75 years. MEMORIAL PRAYER

Chaplain Clifford N. Trout

O Lord God, we remember these departed servants of the people with high esteem. Their memory is enhanced in their deeds of public service, for they have left their mark of destiny upon our state and society.

Even as we continue to build upon the labors of these who have

gone before us, help us to know that they served to preserve for us this privilege of free government.

O gracious God, our tribute to their memory is made in sincere appreciation, and may their good works continue to live after them.

In the name of our Lord Jesus Christ we pray. Amen.

MOTIONS AND RESOLUTIONS

Motion was made by Barrett that the House accede to the Senate request and return to that Honorable Body House Bills Nos. 326 and 293. Motion carried.

HOUSE RESOLUTION NO. 2

Introduced by McInnis, Michels, Walton, DeWolfe, Strnisha, Wood, Nichols, Kiff, Holecek, Sales, Reeder, Nelson.

A resolution of the House of Representatives of the State of Montana to the Congress of the United States; to the Honorable James E. Murray and the Honorable Mike Mansfield, United States Senators from Montana; to the Honorable Lee Metcalf and the Honorable LeRoy Anderson, Representatives from Montana; and to the Honorable Secretary of Agriculture of the United States, requesting a full scale and immediate investigation of the spread between the "on the hoof" cattle prices and the price paid for retail beef by the consumer.

WHEREAS, official reports of the earnings of the major meat packers clearly indicate that while producers are suffering serious economic loss due to a depression in live cattle prices, meat packers' earnings are the highest in history; and

WHEREAS, while "on the hoof" cattle prices are suffering a serious depression, consumers, at the same time, are prevented from having sufficient meat in their diet because of the high cost of retail beef,

NOW, THEREFORE, BE IT RESOLVED, by the House of Representatives of the State of Montana, that the Congress of the United States be urged and requested immediately to implement and proceed with the investigation of the spread between the "on the hoof" cattle prices and the prices paid for retail beef by the consumer.

BE IT FURTHER RESOLVED, that copies of this Resolution be submitted by the Secretary of State of the State of Montana, to the Senate and the House of Representatives of the United States Congress, to Senators James E. Murray and Mike Mansfield, to Representatives Lee Metcalf and LeRoy Anderson, and to the Secretary of Agriculture of the United States.

Motion was made by McInnis for the adoption of House Resolution No. 2. Motion carried. Resolution adopted.

HOUSE RESOLUTION NO. 3

Introduced by Siderius, Tonner, McGarvey, Broeder, Goodgame.

House Resolution of the House of Representatives of the State of Montana to the President of the United States, Dwight D. Eisenhower; the Congress of the United States; James E. Murray and Mike Mansfield, Senators from the State of Montana; Lee Metcalf and LeRoy Anderson, Representatives in Congress from the State of Montana; the Committee on Public Works of the United States Senate; the Committee on Public Works of the United States House of Representatives; the Committee on Appropriations of the United States Senate; the Committee on Appropriations of the United States House of Representatives; Interior Committees; the Secretary of the Army, Wilber M. Brucker; the Chief of the Corps of Engineers, Department of the Army, Major General E. C. Itschner; the Secretary of the Interior, Fred Seaton; the Commissioner of the Bureau of Reclamation, W. A. Dexheimer; and the Director of the Budget, Percival F. Brundage; requesting the introduction and enactment into law of the necessary and proper legislation to authorize construction by the federal government of Glacier View dam on the North Fork of the Flathead river in the State of Montana and to authorize that sufficient appropriations be provided for the detailed planning and construction of Glacier View dam.

WHEREAS, Glacier View dam and reservoir is a proposed multiple-purpose project, to be located at Flathead River Mile 177 on the western boundary of Glacier National Park, 72 miles upstream from Flathead Lake and 41 miles below the International Boundary; and

WHEREAS, Glacier View project would provide flood control, hydroelectric power and recreation benefits; and

WHEREAS, these multiple-purpose benefits combine to give the project a favorable benefit-to-cost ratio of 1.84 to 1; and

WHEREAS, preliminary geological and engineering investigation and planning of the Glacier View dam project have been carefully completed and the findings compiled; and

WHEREAS, Glacier View dam, at elevation 3,725 feet above mean sea level, would provide 3,160,000 acre-feet of vitally needed headwater flood control storage; and

WHEREAS, operation of Glacier View, together with Hungry Horse reservoir on the South Fork of the Flathead river, would completely control the floods that cause damage in the vicinity of Kalispell and at other points along Flathead river, and would assist in the control of damaging floods throughout the Columbia river downstream; and

WHEREAS, the release of flood waters as needed through the winter season of low stream flow would generate 255,000 kilowatts of hydroelectric power and would in addition firm up power production of downstream dams; and

WHEREAS, construction of Glacier View project would not disturb the economy of the vicinity in which it is located; it would flood

no towns; private property affected would be a number of small ranches and dude ranches in the North Fork valley; tax revenue loss would amount at most to \$500.00 a year; and

WHEREAS, the rapidly increasing population of the Pacific Northwest and the nation places upon this generation a special responsibility for the maximum utilization of all the great natural resources bestowed upon this country by Divine Providence; and

WHEREAS, development of the Glacier View dam site would create jobs urgently needed to provide for our burgeoning population and the future defense and welfare of our region and the nation; and

WHEREAS, the Pacific Northwest is isolated from the major population centers of the nation by great distances and high freight rates and must rely upon the full development of its own natural resources in providing for its future growth and economic welfare; and

WHEREAS, hydroelectric power is the only truly inexhaustible energy resource available to a civilization whose entire future growth and economic strength will be increasingly dependent upon the provision of adequate supplies of electric energy; and

WHEREAS, the industrial development of Montana and the entire Pacific Northwest will be greatly enhanced by the large amounts of low cost power made available by the full development of the potential of the Glacier View dam site; and

WHEREAS, the people of the State of Montana have seen in the examples of Hungry Horse dam on the south fork of the Flathead river in their state and many other dams in the Pacific Northwest the immense benefits which accrue as a direct result of the construction of such great projects, not only to the state in which they are constructed but also to the entire region and the nation; and

WHEREAS, revenues from the sale of power from Glacier View dam represent the most feasible source of funds to aid in the rapid construction and the maintenance of major future irrigation projects in the State of Montana; and

WHEREAS, the Glacier View reservoir will have great value for the conservation and development of fish and wildlife resources and will provide a superb recreational area for the sportsmen and many families of the Northwest and the nation who enjoy Montana's great scenic beauty and outstanding outdoor attractions; and

WHEREAS, large amounts of storage are required in the Flathead river to provide adequate protection against the seasonal floods which periodically cause great loss of life and the destruction of millions of dollars worth of property, causing great hardship throughout the Pacific Northwest; and

WHEREAS, many of the large storage projects planned by the Army Engineers for the control of floods in the Columbia river basin have been and are being lost due to conflicting uses and inadequate development, so that it is seriously doubtful that even the minimum flood control storage requirements of the region can be met; and

WHEREAS, the Glacier View project was dropped from the Corps of Engineers 308 Report, primarily because of opposition from the National Park Service and conservation organizations, whose objections are summarized as follows:

1. The reservoir would inundate about 19,000 acres of land within the western boundary of Glacier National park; destroy some 8,000 acres of virgin timber; require destruction of 56 per cent of the white-tailed deer, 30 per cent of the mule deer and elk, over 50 per cent of the

moose, due to flooding of their winter-feeding area; flood out over 70 per cent of the beaver; impair the natural beauty of the valley, with an attendant loss of interest of park visitors who come for stream fishing.

2. The project would violate policy established under the Act of August 22, 1914 (38 Stat. 699) accepting Federal jurisdiction over Glacier National park, which specifically requires the Park Service to afford protection against any attempted action adversely affecting the natural wildlife, growth or beauty of the park; and

WHEREAS, the answers to these two major objections are as follows:

1. The reservoir would inundate 12,000 acres, only about one per cent of the total area of Glacier National park; nearly all the reservoir area is covered with second growth brushy fir and lodgepole pine; there are vast areas just as good as the reservoir area into which the game would move; the reservoir would be filled from the spring flood flow, retained as a stable lake throughout the summer recreational period; use of part of the stored water would begin in the fall and continue through the winter until capacity was again available for retention of spring flood waters and a repetition of the cycle; this operation would enhance, not harm, recreational use of what is now a little used valley, largely an unsightly burn with no scenic attraction; construction of a road around the reservoir would make for easier access into an area now almost inaccessible.

2. The Act of August 22, 1914, acknowledges the fact that provision for beneficial uses of water resources has a higher priority than "reservation of all timber—natural curiosities—and the protection of the animals—"; and

WHEREAS, the public interest would so clearly be served best by construction of Glacier View dam and reservoir,

NOW, THEREFORE, BE IT RESOLVED by the House of Representatives of the State of Montana, that the representatives of the State of Montana in the Congress of the United States be requested to enact into law necessary and proper legislation to authorize construction by the Federal Government of Glacier View dam on the North Fork of the Flathead river in the State of Montana and to authorize that sufficient appropriations be provided for the detailed planning and construction of Glacier View dam;

BE IT FURTHER RESOLVED, that this assembly request the Congress, in making appropriations for the construction of the Glacier View project, to define the compensations that shall be received from the Government of the United States by the County of Flathead and by affected cities and school districts in said county for extraordinary expenses resulting from expanded services required in the fields of school and hospital facilities, health and sanitation, and police protection incidental to the construction of said projects; and to provide all necessary funds and take all needed action to insure the construction of all transportation and other facilities needed to provide opportunity equal to that now existing of access to mines, to forests in federal, state and private ownership, and to manufacturing and refining plants, to the end that the present steady and continuous employment of Montana people depending upon forests and mines for their livelihood will not be adversely affected; and

BE IT FURTHER RESOLVED, that copies of this memorial be submitted by the Secretary of the State of Montana to each of the individuals and to the chairman of each of the committees named in the title of this memorial and also to the presiding officers of both Houses of Congress of the United States, Richard M. Nixon, and Sam E. Rayburn.

Motion was made by Siderius for the adoption of House Resolution No. 3. Motion carried. Resolution adopted.

Motion was made by Barrett that the House recess, subject to the call of the Chair. Motion carried.

House recessed.

House resumed. Mr. Speaker in the Chair.

MOTIONS AND RESOLUTIONS

Motion was made by Barrett that the House pass consideration of Senate Amendments to House Bills Nos. 354, 449, 279, 276 and 442 on General Orders, for the day. Motion carried.

Motion was made by Juedeman that the House reconsider its action in refusing to adopt the committee report on House Substitute for Substitute Senate Bill No. 138. Request was made by Juedeman for a Call of the House, and that the roll call vote be spread on the Journal. There being a sufficient number of seconds, the Speaker ordered a Call of the House. After roll call, progress having been made, Call of the House was dispensed with.

Substitute motion was made by Barrett that the motion to reconsider House Substitute for Substitute Senate Bill No. 138 be laid on the table. Substitute motion carried by the following vote:

Ayes: Abel, Anderson (Cascade), Barnard, Barnes, Barrett, Beck, Bick, Cerovski, Clark, Clowes, Conklin, Cullen, Cumming, Daniels, Devier, Emmons, Eskildsen, Frank, Glancy, Goodgame, Gray, Healy, Holding, Hess, Holecek, Holtz, Hooks, Jensen, Johnson, Karlberg, Langston, Lee, MacDonald, Mangan, McAndrews, McGarvey, McInnis, McKenna, McOmber, Meagher, Mernin, Michels, Nelson, Parker, Picard, Reeder, Rieder, Siderius, Strnisha, Tonner, Wayrynen, Wood, Mr. Speaker. Total 53.

REPORTS OF SELECT COMMITTEES

Mr. Speaker: We, your select committee appointed to investigate certain operations of the Milk Control Board, under motion made by the Majority Leader on February 19, 1957, report as follows:

We have interviewed thirty witnesses representing milk producers and distributors and the Control Board and have attended a public hearing conducted at Butte by the Executive Secretary. Although the situation is complex and the investigation has been limited in scope, we believe that from the sworn testimony received and the study made, certain valid conclusions can be drawn.

FINDINGS

1. The Milk Control Act was passed in 1939 to promote a stronger

milk industry so that the public might be assured a sufficient supply of pure and wholesome milk. We found the general opinion of those interviewed to be that the Act has been largely successful in accomplishing this purpose and that it is important that the law be retained.

2. Some provisions of the Act might well be changed to meet conditions which have developed since it was adopted. We find a strong feeling among producers that they do not have adequate representation on the board. A simpler procedure should be provided for consolidating, enlarging and reducing marketing areas. The provisions governing price-fixing as now written in Section 27-407, R.C.M. 1947, have contributed to some of the present difficulties and misunderstanding.

3. Your committee was charged with investigating the administrative procedure and operations of the Milk Control Board with especial reference to the apparent disregard of Section 27-407, R.C.M. 1947, relating to orders fixing prices and handling charges, and the board's apparent failure to make written findings and conclusions prior to issuing price-fixing orders. In this connection, we find as follows:

(a) Public hearings are conducted by the Executive Secretary and usually no member of the board is present at such hearing. A record is kept of the evidence submitted. A transcript of the evidence is available to the board for study before making its order.

(b) The Executive Secretary is not a competent hearing examiner or referee and the hearings are not conducted in such a manner as to fully or properly develop the matters being inquired into.

(c) Evidence received at such hearings is often insufficient to serve as a basis for a decision. The board is permitted by law to consider evidence obtained from sources other than the hearings. When the board meets after a public hearing has been held, interested parties who may or may not have appeared at the hearing often appear before the board and present information which is not given under oath and is not part of the official record.

(d) The board makes no written statement of findings of fact or conclusions drawn therefrom on which its orders may be based, and it is not possible to determine what facts the board considered or accepted in making its decisions. Such written findings are not now required by law but should be provided for by board rule. The committee finds it hard to understand why this has not been done during the 18 years the Act has been in existence.

(e) In at least one area, although hearings were held, the ensuing order was actually based upon an agreement as to prices made between certain producers and distributors in the area.

(f) Sufficient cost data has generally not been available to the board. This is due in large measure to the failure of many producers and some distributors to keep adequate records. The board recently has endeavored to improve its supply of this information but has been inexcusably lax over the years in requiring that better data be developed.

(g) The board has engaged in its deliberations regarding pending orders and other decisions with interested parties present and participating in the discussion. Visiting parties have been permitted to take part in meetings of the board to such extent as to affect the orderly disposition of business.

(h) The board has been meeting quarterly with one or two special meetings during the year. We find there is sufficient business to require monthly meetings if proper attention is to be given all matters, and if the public interest is to be safeguarded.

(i) The board has not been consistent in its actions and rulings from one area to another. For instance, in some areas prices are fixed on one butter fat basis, in other areas on a different butter fat basis. It has set gallon jug prices in some areas, not in others.

(j) Producers in some areas complain that the Board and the Executive Secretary have not acted to protect the producer's interest. In the following particulars at least, we believe this to be true: (1) The Board has gone as long as ten years without reviewing price schedules in some areas, which review the board could have made at any time on its own motion; (2) The Board never has required of distributors that they file reports showing the specific use or disposition they have made of milk purchased from producers. Many producers suspect that some part of the milk which is being purchased by certain distributors at a low price as surplus milk, supposedly for manufacturing, is actually being bottled and that consequently they are not being paid the board's minimum price for the proper quantity of milk. The Board long ago could, and should have, required a system of reporting which would serve as a check on this matter. (3) All butter fat testing of the producer's milk is done by distributors and the board has not provided a means of checking such tests.

(k) The Board has never enforced or accepted an opinion of the Attorney General rendered in 1949 (Opinion 18, Volume 23), which held that under Section 27-407 a distributor who purchases milk in one market area for resale in another area must pay for the milk at least the price established for producers in the marketing area in which he sells the milk. The Board views this ruling as impractical, but has not asked for legislative clarification of this point. With a constant increase in inter-area marketing occurring, this is a matter which is causing a great deal of contention between marketing areas and between certain producers and distributors.

(l) Much complaint has been heard about the laxness and inconsistency of the board in handling violations. The board places the blame on County Attorneys for failure to cooperate. We do not find that the board has a consistent enforcement policy.

(m) The successful administration of the Act depends largely upon a strong Executive Secretary. We find almost universal dissatisfaction with the present secretary. He has been described in testimony as weak and indecisive, inconsistent and dilatory in handling complaints and the business of the board.

(n) The Executive Secretary has shown weakness in coping with the very controversial problems facing his office. Alan Klemme was employed by the Milk Control Board as their Executive Secretary and has served several years. The board has failed to replace Klemme even though his inadequacies have been apparent for some time. For this, the board should be blamed. A poor administrator reflects the poor enforcement of the Act.

(o) Evidence from our hearings indicates a great deal of dissatisfaction with the board. Members of the board have acted arbitrarily and in many instances, have not acted at all. Some of the members have been perpetuated in office for many years and the result has been that many distributors and producers have a distrustful feeling toward the board. This committee has found that there is a strong feeling that one member of the board, Merlin Madsen, a distributor, has more-or-less controlled the action of the board, possibly to his own advantage.

(p) Some of the existing difficulties are due to dissension existing within the industry itself and to inability of the distributors to agree on the method of handling new factors which have arisen. However, we believe a forceful administrator would be of great help in resolving these differences.

RECOMMENDATIONS

1. We feel it necessary to restore confidence in the board and, therefore, recommend that the members presently serving resign and permit a new group to make a fresh start. We have suggested this to the board members but are advised they do not wish to resign under fire.

2. The Executive Secretary now employed by the board should be replaced. The reasons for this have been expressed in our findings above.

3. A bill has been prepared which would increase the membership on the board. We feel this would give better representation to producer and consumer groups.

4. The board must set up rules governing its hearing procedure and then adhere to them. Every hearing should be conducted by a qualified referee.

5. The board should make written findings of facts and conclusions on which to substantiate their orders.

6. The board should review all of its existing orders in the various marketing areas and take action to remove inconsistencies. This review should be repeated periodically.

7. The board should meet monthly.

8. The board should go into executive session when making decisions on prospective orders and avoid having interested parties in the room on these occasions.

9. Adequate cost data must be required by the board as a basis for its price orders.

10. The various factors involved in price-fixing should be made uniform throughout all areas. It is recommended that the 3.5 butter fat test be used throughout.

11. Distributors should be required to file monthly with the board detailed reports as to use or disposition of all milk purchased by them. This is provided for in the law but has never been used.

12. It should be required that upon every payment to a producer of milk by a distributor, that there be given to the producer a detailed receipt showing the particular use or uses to which the milk was put and showing the percentage of milk of such producer that was not used for sale as fluid milk for human consumption.

13. The board should provide for a system of checking butter fat tests made by distributors.

14. The board should enforce the opinion of the Attorney General above referred to or justify its failure to do so, or should ask for legislative clarification.

15. The board should adopt and follow a consistent enforcement policy and should seek the advice and assistance of the Attorney General in this connection. The board should consider the use of injunctive procedure to get more rapid results.

16. We urge that the interim committee study possible amendments to the Milk Control Act. This investigative committee has not had sufficient time to prepare lengthy amendments and obtain the approval of all parties concerned.

MESSAGES FROM THE GOVERNOR AND SENATE

Mr. Speaker:

I am directed by the Senate to inform your Honorable Body that Sub. House Bill No. 150 by the Appropriation Committee was this day recommended for non-concurrence by the Finance and Claims Committee, report adopted, and the bill is herewith returned to the House.

Respectfully,
WALTER MACK,
Secretary of the Senate.

Mr. Speaker:

I am directed by the Senate to inform your Honorable Body that House Bill No. 310 by McOmber, et al, was this day read third time and concurred in as amended, title and history agreed to, and the bill is herewith returned to the House for concurrence in Senate Amendments.

Respectfully,
WALTER MACK,
Secretary of the Senate.

March 5, 1957.

Mr. Speaker:

I am directed by the Senate to inform your Honorable Body that the President this day appointed the following Conference Committee to act with a like committee from the House to consider House Bill No. 335: Ruane, Chairman; Hagenston, McDonnell.

Respectfully,
WALTER MACK,
Secretary of the Senate.

March 5, 1957.

Hon. Eugene H. Mahoney,
Speaker of the House.

Dear Sir:

I have the honor to advise you that I have this day approved the following measures:

H. B. No. 384—Introduced by Committee on Appropriations.

Sub. H. B. No. 134—Introduced by Committee on Railway and Aviation Transportation.

Very truly yours,
J. HUGO ARONSON,
Governor.

Hon. Eugene H. Mahoney,
Speaker of the House.
Hon. Paul Cannon,
President of the Senate.

Sirs:

In view of the fact that there is some doubt whether or not the seven cent gasoline per gallon tax will be continued on a permanent basis, I would like to call attention to my biennial State of the State Message to the 35th Montana Legislative Assembly. On page 8 of the printed copy of that message under the section entitled "Highways", I said,

"Financially, the most important recommendations are:

(1) The seven cent gasoline and nine cent diesel per gallon taxes be continued on a permanent basis."

The Montana Highway Department informs me that the loss in state matching revenues which would result if this additional one cent in gasoline per gallon tax were lost to the State would amount to \$2,240,000 annually. This amount could be matched each year with \$7,030,000 in federal government highway matching funds.

In other words, the failure to continue the seven cent gasoline per gallon tax on a permanent basis would mean a loss to the State of Montana in actual road program funds of \$9,270,000 annually.

Very truly yours,
J. HUGO ARONSON,
Governor.

Hon. Eugene H. Mahoney,
Speaker of the House.
Hon. Paul Cannon,
President of the Senate.

Gentlemen:

I am returning herewith House Bill No. 373 without my approval for the following reasons:

The bill would establish a new department of mines within the Department of Agriculture, making the Commissioner of Agriculture the Superintendent of Mines. It makes no provision for administration of the act, and to my mind would put an undue burden on the Agriculture Department. If such a bill is necessary, the present Bureau of Mines and Geology would be the only proper place for administration. I do not deem it advisable to have a Mining Engineer as the head of the Agriculture Department, nor do I deem it advisable to have an agriculturalist as head of the Mining Industry.

Furthermore, the bill would stop any future dredging operations for all practical purposes. It gives such broad powers over the management of private lands that I would question its constitutionality as well as its desirability. It would make possible an arbitrary and discretionary power over an industry which has been one of the historical back-bones of the state by a superintendent without knowledge of practical or technical mining matters.

In returning this bill without my approval, I concede that it has many desirable features and meritorious goals. Both in dredging operations and other mineral prospecting and mining, some sort of regulation to protect the soil from erosion and for aesthetic values may be

necessary. However, in my opinion this bill would completely halt dredging operations.

Very truly yours,
J. HUGO ARONSON,
Governor.

The Speaker asked for a roll call vote on the question as to whether or not House Bill No. 373 shall become law notwithstanding the veto of the Governor. The Governor's veto was sustained by the following vote:

Ayes: Allen, Anderson (Yellowstone), Atkinson, Babcock, Bentz, Berg, Broeder, Crist, Cullen, Cunningham, Dempsey, Evans, Felt, Fraser, Gebhardt, Gerard, Gleed, Haines (Prairie), Haines (Missoula), Hancock, Hawks, Holding, Hess, Holtz, Howard, Jensen, Juedeman, Kiff, MacHaffie, Mangan, McKenna, Morrison, Mysse, Nelstead, Nichols, Norby, Paulsen, Pierce, Powell, Regan, Sales, Smeltzer, Tange, Thomas, Thompson, Walton, Mr. Speaker. Total 47.

Noes: Anderson (Cascade), Barnes, Barrett, Beck, Bick, Cerovski, Clark, Clowes, Conklin, Cumming, Daniels, Devier, DeWolfe, Emmons, Eskildsen, Glancy, Goodgame, Gray, Healy, Holecek, Johnson, Karlberg, Langston, Lee, Loughran, MacDonald, McAndrews, McGarvey, McInnis, McOmber, Meagher, Mernin, Nelson, Parker, Picard, Reeder, Rieder, Siderius, Strnisha, Tonner, Wayrynen, Wood. Total 42.

Absent and Not Voting: Frank, Hooks, Michels. Total 3.

Excused: Abel, Barnard. Total 2.

The Speaker appointed a second Conference Committee to consider Senate Amendments to House Bill No. 107 as follows: Holding, Chairman; Cullen, Allen.

Motion was made by Barrett that the House adjourn until 10:00 A.M. Thursday, March 7, 1957. Motion carried.

House adjourned.

EUGENE H. MAHONEY,
Speaker.

ALLEN DONOHUE,
Chief Clerk.

SIXTIETH LEGISLATIVE DAY

House of Representatives
Helena, Montana
March 7, 1957.

House convened at 10:00 A.M., pursuant to adjournment.

Mr. Speaker in the Chair. Invocation by the Chaplain.

On roll call all members were present.

Mr. Speaker: We, your Committee on Journal, having examined the Journal for the Fifty-ninth Legislative Day, find the same to be correct.

GRAY, Chairman.

COMMUNICATIONS AND PETITIONS

March 5, 1957.

Mr. Speaker:

Upon receipt of a copy of a press notice sent out by the office of the President of the Senate and the Speaker of the House regarding groups of school youths and others who come to the Capitol during the legislative session, Mr. John J. Jewell was assigned by this office to conduct such tours.

The following is his report.

J. P. BRENNAN,
Sergeant-at-Arms.

As this is the first session at which a regular student-legislative service has been inaugurated for the convenience of students, no doubt a report should be made to this assembly. This service was inaugurated under the auspices of the House about the 20th day of January of this session. Since that time there have been 105 groups of students who have visited the Legislature. The largest number to visit was on February 14 when 334 students were here; and the largest number of groups was on February 26 when 12 groups visited the House. The total number of students amounted to 3589. Together with adults, the service was extended to approximately 4500 persons. Of this number, 75 visited prior to the inauguration of the service. The largest group that visited was from Belt Valley Schools, with 91, and the smallest group was from Custer with 4. The latter group traveled 300 miles to get to Helena. The service included:

First: A lecture was given on the following: The legislative procedure from the time a bill is introduced in the House through all of the various steps in passing through the House and the Senate to the Governor and the Secretary of State. In each step, the exact motion that would be made was given in order that the student would immediately recognize the stage of the proceedings to which he was listening.

Second: A description and the historical significance of the Russell painting in the House Chamber; the six Paxsons in the lobby of the House, and the six murals in the Senate Chamber; the seven murals in the Supreme Court Chamber and the ten DeCamp paintings in the Supreme Court Library.

Third: A short talk on the life of Charles M. Russell and a description and the background of approximately 22 paintings and drawings in the Russell Gallery.

Fourth: A short resume' of the Lewis and Clark Expedition across the State of Montana, and

Fifth: An opportunity was given to each student to ask questions upon any of the above.

In the event this service is to continue, during future sessions the following suggestions are made:

First: That immediately upon convening the assembly should request the State Superintendent of Public Instruction to notify all seventh and eighth grades, together with Junior High Schools and Senior High Schools, of such a service. It should be made known that students under the seventh grade should not come to the Capitol expecting this service.

Second: A room should be provided with at least 100 chairs in order that students may take notes. We have been informed by various students that upon their return to their respective schools they were requested as a part of their school work to write a theme upon their ex-

periences in the Capitol. We have lectured to students from as low as the third grade to the seniors of both Montana State College and the University.

We know that the service has been appreciated from the numerous letters that we have received from the various schools, and comments by the parents of students who have received the service.

I am sure that the residents of your respective counties appreciate very much this service that you are inaugurating for their children.

I desire to thank the members of the House and Senate, Mr. Brennan, Sergeant-at-Arms of the House, and Mr. William Pilgeram, Sergeant-at-Arms of the Senate, for the many courtesies extended to me and to the thousands of students who visited the Legislative Assembly.

JOHN J. JEWELL.

MESSAGES FROM THE SENATE

March 6, 1957.

Mr. Speaker:

I am directed by the Senate to inform your Honorable Body that the President this day appointed the following new Conference Committee to consider House Bill No. 107: Dahl, Chairman; Stein, Balgord.

Respectfully,
WALTER MACK,
Secretary of the Senate.

CONSIDERATION OF GENERAL ORDERS

Motion was made by Barrett that the House resolve itself into a Committee of the Whole for the consideration of business under General Orders, under the rules of the previous sitting. Motion carried.

Cerovski of Fergus in the Chair. Committee arose.

House resumed. Mr. Speaker in the Chair.

Mr. Speaker: We, your Committee of the Whole, having had under consideration business under General Orders, recommend the following:

That Senate Amendments to House Bill No. 470 be concurred in.

That consideration of the remaining business on General Orders be passed until the afternoon.

CEROVSKI, Chairman.

Report adopted.

MOTIONS AND RESOLUTIONS

HOUSE RESOLUTION NO. 4

Introduced by Holecek, Langston, Rieder (Jefferson).

A resolution of the House of Representatives of the State of Montana to the Speaker of the House of the Thirty-fifth Legislative Assembly requesting that certain individual or individuals, be censured.

WHEREAS, certain members of the House of Representatives, to-wit: George Holecek of Carbon County, Jake Frank of Stillwater County, Ed Langston of Wheatland County, and Arnold Rieder of Jefferson County; did introduce before this Legislative Assembly House Bill No. 224 for the purpose of illustrating the need for revision and reform of the existing real estate tax structure in the State of Montana with the under-

standing that various amendments would be required to make said bill acceptable to them before being enacted into law, and

WHEREAS, said amendments to said House Bill No. 224 could not be drafted within the time permitted, and,

WHEREAS, the authors of said bill appeared before the House Ways and Means Committee to which committee said bill had been referred, and did request said committee that they recommend the bill do not pass because it did not properly and truly represent the views and ideas concerning the taxation of real estate in Montana of said authors in the form presented to the committee, and,

WHEREAS, said committee thereupon recommended that said bill do not pass, and,

WHEREAS, an individual or individuals, identity unknown, secured the mimeographed copy of said House Bill No. 224 and without the authority of the committee on Ways and Means, or the Printing Committee, or any of its members or staff, or without any authority whatsoever from this Legislative Assembly, did order said House Bill No. 224 to be printed by the identical firm which has the contract for printing all bills of this Legislative Assembly and did order that said printer use the same format, type style, and paper size as that used for the printing of bills to be acted upon by this legislature, and,

WHEREAS, this bill whose printing was not authorized by the Printing Committee, or any of its staff, or by this Legislative Assembly in any manner, was mailed out in large quantities by a firm whose place of residence was given as Butte, Montana, which firm owned postal permit No. 60 of the United States Postal Department to various residents of the State of Montana and particularly to residents in the counties of the above named authors of said Bill No. 224, and,

WHEREAS, this printed bill was mailed in envelopes devoid of the name or names of the person or persons responsible for the printing or mailing of the same in an apparent attempt to hide his or their identity, and,

WHEREAS, the said printing and distribution of this pseudo House Bill involved the expenditure of a large sum of money with the obvious implication and impression that the cost of the printing and distribution had been paid for by the State of Montana and was indicative of the philosophy of the legislature regarding the taxation of real estate and particularly indicative of the philosophy of the authors of said bill regarding the taxation of real estate, when in fact, such was not the case, and,

WHEREAS, the continuance of such a practice is both dangerous, contemptuous and detrimental to members of this legislative body, and could lead to widespread abuses such as affixing the names of innocent legislators to mythical and fictitious pieces of legislation to be circulated over the entire State of Montana in an attempt to destroy the political careers and reputations of members of the legislative body, and,

WHEREAS, tampering with normal legislative procedures by unknown person or persons attempts to bring pressure and ridicule upon this Legislative Assembly and its members, tends to lower the dignity of this honorable body and causes unwarranted concern and distrust on the part of the citizens of the State of Montana toward this body.

NOW, THEREFORE, BE IT RESOLVED, that this House censure and condemn the activities of the printing firm and the individual or individuals who participated in this misrepresentation and hoax upon the people of the State of Montana, and,

BE IT FURTHER RESOLVED, that a copy of this resolution be read in full and spread upon the minutes of the House Journal.

Motion was made by Holecek that the Resolution be adopted.

Substitute motion was made by Abel that the Resolution be adopted and that one thousand copies be printed for distribution. Motion carried.

THIRD READING OF HOUSE BILLS

The following bill, having been read three several times, at length, title and history agreed to, was disposed of in the following manner:

H.B. No. 184—Introduced by Daniels, Anderson (Yellowstone), Norby and Cerovski.

Very truly yours,
J. HUGO ARONSON,
Governor.

Hon. Eugene Mahoney,
Speaker of the House.
Hon. Paul Cannon,
President of the Senate.

Sirs:

I am returning House Bill 231 without my approval for the following reasons:

H.B. 231 purports to amend Section 87-148 of the Unemployment Compensation Law by excluding from the definition of the word "employment," as used in that law, services performed by pinsetters in bowling alleys.

The draftsman of the bill appears to have prepared the bill from Section 87-148, R.C.M. 1947, without taking into account, amendments to that section enacted by Chapter 160, Laws of 1953, and by Chapter 164, Laws of 1955.

Through what appears to be an inadvertence, H.B. 231, if permitted to become law, would have the effect of deleting from the Unemployment Compensation Law the important definitions of "Agricultural Labor" and "Farm," as contained in the 1953 and 1955 amendatory acts.

In my opinion, the retention of these definitions is of greater moment than the exclusion of pinsetters from the operation of the Unemployment Compensation Law, even though I do agree with this principle.

For these reasons I am returning H.B. No. 231 without my approval.

Very truly yours,
J. HUGO ARONSON,
Governor.

The Speaker asked for a roll call vote on the question as to whether or not House Bill No. 231 shall become law notwithstanding the veto of the Governor. The Governor's veto was sustained by the following vote:

Ayes: Allen, Anderson (Yellowstone), Atkinson, Babcock, Barnard, Bentz, Bick, Broeder, Clark, Clowes, Conklin, Crist, DeWolfe, Emmons, Evans, Felt, Fraser, Gebhardt, Gerard, Gleed, Haines (Prairie), Hancock, Hawks, Holding, Hooks, Howard, Jensen, Johnson, Juedeman, MacHaffie, Mangan, McAndrews, McInnis, McKenna, Meagher, Michels, Mysse, Nelstead, Nichols, Norby, Parker, Paulsen, Pierce, Powell, Reeder, Sales, Smeltzer, Tange, Thomas, Thompson, Tonner, Walton, Wood, Mr. Speaker.
Total 54.

Noes: Abel, Anderson (Cascade), Barnes, Barrett, Beck, Cerovski, Cullen, Cumming, Cunningham, Dempsey, Eskildsen, Glancy, Goodgame,

Healy, Hess, Holecek, Holtz, Lee, Loughran, McOmber, Mernin, Morrison, Nelson, Picard, Regan, Rieder, Strnisha, Wayrynen. Total 28.

Absent and Not Voting: Berg, Daniels, Devier, Frank, Gray, Haines (Missoula), Karlberg, Kiff, Langston, MacDonald, McGarvey, Siderius. Total 12.

Excused: None.

MOTIONS AND RESOLUTIONS

The following resolution was presented by Barrett and read:

House Resolution No. 5—Introduced by Barrett.

A resolution recommending and providing for the manner of caring for the records and properties of the House of Representatives; the method of selecting, conduct and control of the attaches of the House of Representatives and the general supervision of the conduct of the business of the House of Representatives.

WHEREAS, the equipment, records and properties of the House of Representatives have heretofore been misplaced and misused during the interim between sessions and there is no regular method set up for the care, custody and control thereof; and

WHEREAS, the Committee on Employment is charged with the duty and responsibility for the selection of the various attaches of the House of Representatives;

NOW, THEREFORE, BE IT RESOLVED, that the House of Representatives urge upon the State Board of Examiners to reserve adequate space for the purpose of keeping and storing the property, files and records of the House of Representatives during the interim between sessions, to the end that such property, files and records be available for the next succeeding session and also so that the Chief Clerk of the House shall have such material available for the accommodation and benefit of the members of the House of Representatives and such other persons or organizations as may be entitled to access to and use of such material. That the committee minutes of each committee of the House be stored in the Historical Library which minutes shall be available and obtainable by future sessions of the Legislature if needed.

BE IT FURTHER RESOLVED, especial precautions be taken in safeguarding the electric voting machine and the sound system equipment in the House chambers; that the hand microphones on the members' desks be disconnected and stored in the appropriations committee room and that proper measures be instituted to prevent damage of the electric controls and switchboards located on the rostrum.

BE FURTHER RESOLVED, that the respective political parties meet in caucus at least three days prior to the first legislative day of the 36th Legislative Assembly.

BE IT FURTHER RESOLVED, that the respective political parties be urged to select in caucus only the following officers: Speaker, Speaker Pro Tem, Floor Leader, Chief Clerk and Sergeant-at-Arms, and that the selection of all other officers and attaches be left to the Committee on Employment as specified in Rule 10 of the Rules of the House.

BE IT FURTHER RESOLVED, that the practice of sponsoring employees and attaches for employment in the House be abolished to the end that more competent and efficient employees and attaches may be secured for the conduct of the work and business of the House.

BE IT FURTHER RESOLVED, that a sufficiently ample mimeograph room be assigned to the mimeograph department to promote the more efficient conduct of that department.

BE IT FURTHER RESOLVED, that the 36th Legislative Assembly be, and it is hereby urged to amend Section 43-213, Revised Codes of Montana, 1947, for the purpose of reclassifying and changing the numbers of employees and attaches of the House of Representatives, so that such attaches and employees will be properly classified to conform to the character of work for which they are assigned and which they actually perform.

BE IT FURTHER RESOLVED, copies of this resolution be mailed or delivered by the Chief Clerk of the House to the Governor, the State Board of Examiners, the Custodian of the State Capitol, and the chairman of each political party in the State of Montana.

Motion was made by Barrett for adoption of the resolution. Motion carried, and the resolution was adopted.

REPORTS OF SELECT COMMITTEES

Mr. Speaker: We, your Select Committee appointed to investigate the printing and circulation of H. B. 224 in such form as to make it appear as a Bill to be regularly considered by Whole House of Representatives and to make it appear that same was an official Bill before the House of Representatives:

We have interviewed thirteen witnesses and heard Wellington D. Rankin and Arthur P. Acher, attorneys for George Bennitt and Russell Bennitt, the owners and operators of the State Publishing Company and from such evidence, we concur in the following findings:

I. That House Bill 224 according to testimony of the sponsors, was introduced by Representatives Frank, Holecek, Langston and Rieder by request of citizen voters and taxpayers, although the bill does not show such request. That said Bill, when considered by Ways and Means Committee of the House, was killed by "Do Not Pass" motion by one of the authors, which committee report was adopted by the House.

II. That said Bill was never, by the House, ordered printed or placed on General Orders for consideration of the House.

III. That House Bill 224 was printed in regular form as required in an official bill and was widely circulated in every county of the authors' residence under a Third Class Mailing Permit, No. 60, Butte, Montana.

IV. From evidence adduced, it was found that 6,200 copies of such Bills were printed by the State Publishing Company, the firm authorized by State contract to print legislative bills. That such Bills were printed in type, style and form to make them appear as official Bills and that such Bills were ordered printed for the Butte Daily Post.

V. That subpoenas were issued for George Bennitt and Russell Bennitt, owners of the State Publishing Company, and the Sergeant At Arms was unable to find them and they were reported to have left the City of Helena about the time this Committee was appointed and that their attorney, Wellington D. Rankin, advises that they were out of town and one may be in Great Falls or Lewistown on business.

VI. Employees and bookkeepers of the State Publishing Company were subpoenaed and upon advice of counsel refused to produce records

on the grounds they are not officers of the corporation and refused to produce the original printing order and other documents.

VII. From evidence adduced it is found that the Bill was correct in content but that the 6,200 Bills appeared in deceptive and misleading printed form, were printed upon order of the Butte Daily Post, a newspaper of general circulation in the city of Butte, Montana, and that said bills, from the postmark on the envelopes, were mailed through the Butte Post Office. Evidence shows the employees said the order was handled in the usual manner.

VIII. Your Committee finds from testimony that the Butte Daily Post, according to Exhibit 2B—October 12th, 1950—Federal Communications Docket—the Butte Daily Post is owned by the Fairmont Corporation.

The Fairmont Corporation is a Butte holding company, controlled by the Anaconda Copper Mining Company of Butte, Montana, and said Anaconda Copper Mining Company of Butte is the owner of all outstanding stock of the Fairmont Corporation, consisting of one million dollars capitalization.

That the Fairmont Corporation owns, manages and controls the following publishing companies: Post Publishing Company, publisher of the Butte Daily Post; the Independent Publishing Company, publisher of the Independent Record; Standard Publishing Company of Anaconda, publishers of the Anaconda Standard; the Livingston Enterprise; the Missoulain Publishing Company, publisher of the Missoulain and Sentinel; the Mineral Publishing Company, publisher of the Mineral Independent; the Western News, Libby, Montana. That said Fairmont Corporation own stock or have directorship or managerial positions in the Montana Power Company; Metals Bank and Trust Company, Butte; Heisey Company, Great Falls; Great Falls Brewery; Columbia Amusement Company, Butte; First National Bank, Great Falls; Interstate Lumber Company; and the Montana Hardware Company. That the officers of the Fairmont Corporation were reported as: J. T. Finlen, President, Butte; J. H. Dickey, Vice-President; Law Riskin, Butte; C. H. Steel; R. H. Robinson and T. B. Wier, Helena.

IX. The Committee further finds that the State Board of Examiners are required to contract State business with a reputable firm. That the complete conduct of George and Russell Bennett in this investigation could not be determined because of avoidance of subpoena by officers of said State Publishing Company and their refusal to cooperate, that such conduct is not cooperative or ethical on their part and a matter of severe censure by this Committee by individuals or firms contracting with the State of Montana.

RECOMMENDATIONS

It is the recommendation of the Committee, that at the next session of the legislature, a law should be enacted making it a criminal offense for any publisher, firm or individual, to print, publish and circulate any Bill, or proceedings of the legislature, in such style, form and appearance, that the same would appear as legislative bills or proceeding without plainly, printing and stating thereon that the same was printed by the one printing and circulating the same and that said printing and circulation was not at State expense.

GRAY,
CUMMING,
ABEL.

We concur in the above report with the exceptions of Section 8 and Section 9, as written.

MYSSE,
THOMAS.

Motion was made by Gray for adoption of the Committee report.
Motion carried. Report adopted.

MESSAGES FROM THE SENATE

Mr. Speaker:

I am directed by the Senate to inform your Honorable Body that the following House Bill was this day read third time and concurred

in, title and history agreed to, and the bill is herewith returned to the House:

Sub. House Bill No. 128 by Appropriations Committee.

Respectfully,
WALTER MACK,
Secretary of the Senate.

Mr. Speaker:

I am directed by the Senate to inform your Honorable Body that the following House Bills were this day read third time and concurred in as amended, title and history agreed to, and the bills are herewith returned to the House:

House Bill No. 477 by Committee on Appropriations.

House Bill No. 475 by Committee on Appropriations.

House Bill No. 478 by Committee on Appropriations.

Respectfully,
WALTER MACK,
Secretary of the Senate.

MOTIONS AND RESOLUTIONS

The following resolution was presented by the Committee on Appropriations, and read:

HOUSE RESOLUTION NO. 6

Introduced by the Committee on Appropriations.

A resolution of the House of Representatives of the State of Montana to the Board of Education, State Board of Examiners, and State Land Board; asking that certain recommendations pertaining to salaries of various state departments, study of advisability status of farm operations as pertains to orphans' home, vocational school for girls, and soldiers' home; advisability of sale of state lands; feasibility of negotiating salary contracts without legislative approval; advisability of Highway Commission purchasing equity in state laboratory building; advisability of State Fish and Game Department reimbursing General Fund from Fish and Game Fund for housing costs pertaining to their department; proposed revision of comptroller law; consolidating social security and P.E.R.S.; formula for selling prison produce; setting up employment committee; remodel lobby of House of Representatives.

WHEREAS, the Appropriations Committee has appropriated sufficient funds to the various state institutions for salary increases;

NOW, THEREFORE, BE IT RESOLVED that the Board of Examiners, Department of Education and the various heads of such institutions be and are hereby directed to give salary increases in amounts of not less than twenty-five dollars (\$25.00) per month to any and every employee where deemed the pay scale is below average;

BE IT FURTHER RESOLVED, that such increases shall be first made to those now receiving the lowest monthly salary, with such increases going to the higher paid positions progressively from the lowest to the highest so far as the budget will allow.

WHEREAS, the state of Montana is still indebted to the vendors of the land now called "prison farm" and the state of Montana is paying interest to the vendor on said unpaid balance;

NOW, THEREFORE, BE IT RESOLVED that the Board of Exam-

iners be authorized to determine if there is some state department with investment funds and is willing to take an assignment of contract for deed from the vendor in this case, and then to determine if said vendor is willing to make such assignment, and, if so, proceed to affect transfer of the remainder of this debt to said state department.

WHEREAS, the state orphans' home, the soldiers' home, and the vocational school for girls are now conducting farm operations on an unprofitable basis;

NOW, BE IT RESOLVED that the Board of Examiners be instructed to dispose of all animals and farm machinery at such institutions and credit the amount received to the general fund.

WHEREAS, the State Land Board has from time to time sold public school land at auction and thereby lowered the school income for further generations;

NOW, BE IT RESOLVED that the State Land Board refrain from selling any public school land except upon approval by the Legislature.

WHEREAS, the Department of Education, Department of Health, and the Board of Examiners have contracted with department administrative heads for salary schedules that are not uniform when compared with like positions in other departments;

NOW, BE IT RESOLVED that the above named departments not contract for salaries for administrative heads in a larger amount than that paid to a predecessor unless the contract is approved by the Legislature for a larger amount.

WHEREAS, the Highway Department is occupying a portion of the State Laboratory building;

WHEREAS, the portion so occupied was constructed to fit the needs of the Highway Department;

WHEREAS, the cost of constructing the State Laboratory building was appropriated from the Capitol Land Grant fund;

NOW, BE IT RESOLVED that the Board of Examiners be instructed to negotiate with the Highway Department to purchase an equity in the State Laboratory building with highway administration funds, said purchase price to be credited to the Capitol Land Grant fund, but such purchase price should not be less than the proportionate value of the entire building used by the Highway Department.

WHEREAS, the Fish and Game Department is occupying space in the Mitchell Building and is not paying its proportionate share of the maintenance expenses of said building;

NOW, BE IT RESOLVED that the Board of Examiners are directed to determine a fair rental value, considering maintenance and operation costs, for that portion of the Mitchell Building used by the Fish and Game Department; and the Board of Examiners are further directed to reimburse the General Fund with that amount from the Fish and Game Fund.

WHEREAS, the comptroller's budget is now required by law to be presented to the Legislature on a balanced basis and is not, therefore, of great help to the Legislature and does not reflect actual needs of the various departments of state;

NOW, THEREFORE, BE IT RESOLVED that the Legislative Interim Committee, or the Governor, propose legislation making the Comptroller responsible to the Governor, and amending the law further to make it possible for said Comptroller to submit a budget to future Legislative Sessions based more nearly on actual need.

WHEREAS, there is now appropriated to each department or institution a separate appropriation for social security and P.E.R.S.;

NOW, THEREFORE, BE IT RESOLVED that future appropriations committees consider providing one appropriation for social security and P.E.R.S. for all departments and institutions;

WHEREAS, the prison farm has a potential of producing meat and other food for all our custodial institutions;

NOW, THEREFORE, BE IT RESOLVED that immediate plans should be made to work out a formula for the exchange and sale of surplus between the various state institutions;

WHEREAS, several days have been lost at the beginning of the session because the employment committee was not appointed until the first day of the session;

NOW, THEREFORE, BE IT RESOLVED that the majority party of the House on or before the fifteenth day of December, 1958, select an employment committee whose function it shall be to screen and select the attaches for the Thirty-sixth Legislative Assembly.

WHEREAS, the members of the House of Representatives are seeking a place to privately discuss matters pertaining to legislation;

NOW, THEREFORE, BE IT RESOLVED that in the repair of the capitol building, the Board of Examiners take into consideration the following: Placing glass doors on the east side of the outer lobby and also from the lobby to the House chamber; constructing full length lockers in said lobby to replace those now situated in the outer hall; that said outer lobby be furnished for conference between legislators, and as so constructed said outer lobby be out of bounds to lobbyists;

WHEREAS, it has come to the attention of the Legislature that the Soldiers' Home at Columbia Falls, Montana, is filled to capacity, and

WHEREAS, it appears that many occupants thereof have personal income, such as Veterans' Pensions, Social Security, and other types of income, and

WHEREAS, there are apparently many old soldiers of little or no means who are unable to gain entrance to this institution;

NOW, THEREFORE, BE IT RESOLVED that eligible veterans having little or no income shall have priority for admission to this home, and that those who have sufficient personal income shall be required to pay at least a portion of the cost involved in their keep.

NOW, FURTHER BE IT RESOLVED that this Resolution be read in full before the House of Representatives and spread upon the minutes of the Journal, and copies be sent to the State Board of Examiners, Board of Education and the State Land Board.

Motion was made by MacDonald for adoption of the above resolution. Motion carried. Resolution adopted.

REPORTS OF STANDING COMMITTEES

Mr. Speaker: We, your Committee on Rules, Joint Rules, and Order of Business, having had under consideration the motion that the Rules of the House be suspended for the purpose of introducing a bill to replace Senate Bill 92, vetoed by the Governor, recommend the following: That the Rules not be suspended for this purpose. While we are in unanimous agreement with the merits of the proposed bill, we are also agreed that it is impractical to permit the introduction of any legislation at this late date.

BARRETT, Chairman.

Report adopted.

MESSAGE FROM THE SENATE

Mr. Speaker:

I am directed by the Senate to inform your Honorable Body that the Senate this day on roll call vote adopted the report of the Joint Conference Committee considering House Bill No. 481 ..

Respectfully,
WALTER MACK,
Secretary of the Senate.

MOTIONS AND RESOLUTIONS

To the President of the Senate
and the Speaker of the House:

We, your Joint Conference Committee, having had under consideration the House amendments to Senate Bill No. 213, respectfully report and recommend as follows:

That the House recede from all House amendments to Senate Bill No. 213, as amended by the Senate, and respectfully report that same be amended as follows:

Amend the title of Senate Bill No. 213, as amended by the Senate, by inserting after the semi-colon at the end of line 23, page 2 of the printed bill, the following words and figures: ["Providing to employees common law right to sue when they cannot meet eligibility requirements of this act;"];

And further amend the printed bill, as amended by the Senate by striking the words and punctuation following the semi-colon after the word "clause" on line 32, page 2, of the title and inserting in lieu thereof the following words and punctuation: "Providing that this act shall be liberally construed; and repealing all acts and parts of acts in conflict herewith; providing a severability clause; and providing for an effective date of this act.";

And further amend by inserting in line 21, page 3 of the printed bill, as amended by the Senate, after the words "event of" the words "an employee";

And further amend by inserting after the words "from performing" in line 22, page 3, the words "his usual occupation";

And further amend on page 6 of the printed bill, as amended by the Senate, by striking all of Section 6 and inserting in lieu thereof the following words and figures: "Employers and employees covered. The following employers, when the condition and hazards inherent in the occupation involved are such as to expose the employees to any occupational disease as defined in Section 4, of this act, shall be subject to the provisions of this act:

"The state, and each county, city, town, municipal corporation and school district therein; and every person who has in his service three (3) or more workmen or operatives regularly employed in the same business or establishment, under a contract of hire, except agricultural workers and domestic servants; employers of such agricultural workers and domestic servants or employers of less than three (3) persons may, however, at their election, come under the terms hereof by complying with its provisions and the rules and regulations of the Board.

"The term 'regularly employed,' as herein used, includes all employments, whether continuous throughout the year or for only a portion of the year, in the usual trade, business, profession or occupation of an employer. Where an employer procures work to be done for him by a contractor over whose work he retains supervision or control, and such work is a part or process in the trade or business of the employer, then such contractor and the persons employed by him, and his sub-contractor and the persons employed by the subcontractor, are, within the meaning of this section, employees of the original employer.

A person engaged in work for another, and who, while so engaged is independent of the employer in the execution of the work, not subject to the rule or control of the person for whom the work is done, but engaged only in the performance of a definite job or piece of work, and subordinate to the employer only in effecting a result in accordance with the employer's design, is an independent contractor and an employer within the meaning hereof."

And further amend in line 12 of the printed bill, Section 9, page 8, as amended by the Senate, by striking after the period following the word "later" the words and figures: "provided, however, that, except for the waivers provided for in Section 30 of this act it shall be unlawful for any such employer to require as a condition of employment the rejection of the provisions of this act, and any rejection which is the result of any such condition or requirement shall be void and of no effect" and inserting in lieu thereof the following words and figures: "provided, however, that it shall be unlawful for any such employer to require as a condition of employment the rejection of the provisions of this act, and any rejection which is a result of any such condition or requirement shall be void and no effect."

And be further amended in line 20 of the printed bill, Section 11, page 8, as amended by the Senate, by striking the comma after the word "employer" and the following words and figures: "except in those cases where an employee or applicant for employment has executed a waiver of compensation as provided in Section 30 of this act" and inserting in lieu thereof a period.

And be further amended in line 49 of the printed bill, Section 15, page 12, as amended by the Senate, by striking the following words and figures: "The evidence of two (2) medical examinations above described shall be final and, so far as the medical examination of the claimant is concerned, no evidence of other or additional medical examinations shall be admissible before the Board upon re-hearing nor before any court upon the appeal, if any." and inserting in lieu thereof the following words and figures: "provided, however, that the claimant, employer or the insurer, as the case may be, may provide evidence of other or additional medical examinations upon a hearing before the Board or upon appeal, if any, before any court."

And further amend the whole of Sub-section 3 as follows: In lines 11 through 16 of the printed bill, Section 11, page 8, as amended by the Senate, by striking the following words: "No compensation shall be paid in case of silicosis unless during the ten (10) years immediately preceding the disablement the injured employee has been exposed to harmful quantities of silicon dioxide dust for a total period of not less than one thousand (1000) work shifts in employment in this state and unless total disability results within four (4) years from the last day upon which the employee actually worked for the employer against whom compensation is claimed."

And be further amended in line 17 of the printed bill, Section 11, page 8, as amended by the Senate, by striking the following words: "provided, however, that" and capitalizing the "A" in the word "any".

And be further amended in lines 30 through 33 of the printed bill, Section 11, page 9, as amended by the Senate, by striking the following words: "no compensation shall be paid for death from silicosis unless during the ten (10) years immediately preceding the disablement the deceased employee has been exposed to harmful quantities of silicon dioxide dust for a period of not less than one thousand (1000) work shifts in employment in this state."

And be further amended in lines 54 through 57 of the printed bill, Section 11, page 9, as amended by the Senate, by striking the following

words: "C. Proof of the exposure to silicon dioxide dust for a period of not less than one thousand (1000) work shifts in employment in this state, with proof of total disability from silicosis, shall be prima facie evidence of exposure to harmful quantities of such dust during all of such period."

And be further amended by renumbering consecutively the remaining provisions in sub-section A and B in Section 11 on pages 8 and 9.

And be further amended in line 4 of the printed bill, Section 19, page 13, as amended by the Senate, by striking the following word "requested" and inserting in lieu thereof the word "ordered", and in the same line after the comma following the word "Board" insert the words "upon application by" and the same line by striking the period after the word "employer" and inserting in lieu thereof a comma and the words "or the employee."

And further amend line 5, Section 19, page 13 of the printed bill, as amended by the Senate, by striking the following word "request" and inserting in lieu thereof the following words "order of the Board".

And further amend line 8, Section 19, page 13 of the printed bill, as amended by the Senate, after the period following the word "party" and inserting in lieu thereof the following words and figures: "The examining physician of the medical panel shall make a report of such examination to the Board and the Board shall forthwith furnish the employee with a copy of said report."

And further amend line 13, Section 25, page 18 of the printed bill, as amended by the Senate, by striking the following words and figures: "One Thousand Dollars (\$1,000.00)" and inserting in lieu thereof the following words and figures: "Twenty-five Hundred Dollars (\$2,500.00)";

And further amend line 23, Section 25, page 18 of the printed bill, as amended by the Senate, by striking the comma after the word "Board" and the following words "provided, that the provisions of this Section 25 shall not apply in cases where an employee or an applicant for employment has executed a waiver of compensation which has been approved by the board as provided in Section 30 of this Act."

And further amend line 7, Section 28, page 19 of the printed bill, as amended by the Senate, by inserting after the word "regulations" the words "adopted by the employer or";

And further amend by striking all of Section 30, page 19, as amended by the Senate and inserting in lieu thereof the following words and figures: "Section 30. Agreement by Employee to Waive Compensation or to Pay Premium Void. No Liability in Certain Cases. An agreement by an employee to waive his rights to compensation and, except as otherwise provided in this act, an agreement by an employee to pay any portion of the premium paid by his employer, shall be void.

"(A.) The employer may give, within two weeks of the application, physical examinations to the applicants for employment. Where an applicant for employment whether such applicant has been formerly employed by the employer to whom application is made, or not, though not actually disabled, is found upon competent medical and X-ray examination to be afflicted with an occupational disease, such employer shall not be liable under this act for disability from the particular disease or diseases with which the employee is found to be afflicted or for any aggravation of said disease or diseases resulting from the employment, if a report of said medical examination be approved by the Board as hereinafter provided.

"The report of the medical examination of the applicant for employment and X-rays, if any, shall be delivered to the Board by the

employer within five (5) days after such examination; to such medical report and X-rays, if any, shall be attached a certificate by the examining physician certifying that the medical report is the report of the physical examination of the applicant for employment.

"The Board shall submit such medical report and X-rays, if any, to a physician of its choice from the medical panel, and such physician shall report to the Board his finding as to whether the medical report is satisfactory. The Board shall within twenty (20) days after the receipt of such medical report from the employer enter its order approving or disapproving such report and specifying the particular disease or diseases found. Such order shall be in writing stating the reasons for such approval or disapproval. A copy of such order shall be mailed to the employer and a copy of such order shall be mailed to the applicant for employment within twenty-four (24) hours after the Board has approved or disapproved such report.

"An applicant for employment may commence work prior to the approval or disapproval of such report by the Board, but if the Board shall disapprove such report the employer may discharge such applicant for employment without liability to such applicant.

"Provided, however, that if no physical examination is given to the applicant for employment within said two week period then such applicant for employment shall be fully eligible to the benefits of this act.

"(B) Employers may give within one hundred eighty (180) days after becoming subject to this act physical examinations to any employees which said employer has in his employment. Where an employee, though not actually disabled, is found upon competent medical and X-ray examination to be afflicted with an occupational disease, such employer shall not be liable under this act for disability from the particular disease or diseases with which the employee is found to be afflicted or for any aggravation of said disease or diseases resulting from the employment, if a report of said medical examination be approved by the Board as hereinbefore provided in Sub-section A of this Section 30.

"Provided, however, that if no examination is given to the employee within said one hundred eighty (180) day period then such employee shall be fully eligible to the benefits of this act.

"(C) All such reports shall become permanent records of the Board.

"The Board may make reasonable rules and regulations relative to the form, execution and filing of such reports not inconsistent with the provisions of this act."

And further amend Section 31, page 19, of the printed bill, as amended by the Senate, by striking all of Section 31 and inserting in lieu thereof the following words and figures: "Section 31. Common Law Right to Sue. Any employee, who is disabled due to occupational disease, and who cannot meet the eligibility requirements to receive compensation benefits under this act, shall not be deprived of his common law rights if any, to sue for damages."

And further amend in line 2, Section 32 of the printed bill, Page 19, as amended by the Senate by striking after the word "Benefits" the following words: "under the Federal Old Age Retirement Act or benefits."

And further amend line 60, Section 34, Sub-section 5 of the printed bill, Page 21 by striking the word "such" after the word "which";

And further amend line 217, Section 34 of the printed bill, Page 25, as amended by the Senate, by striking the word "occupational" fol-

lowing the word "disease" and inserting in lieu thereof the word "compensation";

And further amend line 219, Section 34 of the printed bill, page 25, as amended by the Senate, by striking the words "or of" following the word "out" and inserting in lieu thereof the words "of or";

And further amend the printed bill as amended by the Senate, by adding the following words and figures: "Section 70. This act shall be considered severable, and in the event any section or part hereof is declared unconstitutional, then the remainder of the act shall remain in full force and effect."

And further amend the printed bill as amended by the Senate, by adding the following words and figures: "Section 71. This act shall be in full force and effect from and after its passage and approval."

And further amend by correcting the numbers of the several sections of the bill so that the sections are consecutively numbered.

And as so amended Senate Bill No. 213 do pass.
